Dedication

In our lifetime there is much which is taken for granted; many developments take place which pass by unnoticed. We often fail to recognize that behind these developments there are usually dedicated individuals. We at Essex are victims of this fault; in the past year we have seen the opening of two new buildings on campus, The Humanities and Arts Building and the College Community Center. Yet has anyone stopped to ask themselves how they got there? It was surely not at the snap of a finger nor at the wink of an eye!

Time, energy, knowledge, money, and heartaches went into the bricks which form this campus. Many have shared in the burden, but there is one who is at the head of it all, existing unnoticed, unrecognized. Since the theme of the 1972-73 Yearbook is growth the yearbook staff takes pride in dedicating this book to the man who has shown dedication which can be seen in every brick, road, and building standing forth right on this campus. This man behind the scene of whom we speak is Mr. Joseph Mego, Development Officer at Essex Community College.

A beginning . . . a seed
A stem of growth and learning
A bud of hope and love
And then, a rose, the product of this beginning
existing with petals as individual
as night and day, yet clinging together in order
to form this most perfect product.

Essex Community College is like a valley of these roses. Each petal representing a student, each rose a group of students working together to fulfill a purpose, and the valley a "togetherness" which is so much a part of E.C.C.

What of this beginning?
A seed . . . a Freshman
I remember this time well . . .

The friends that were such a large part of our lives. The peace and serenity of being ourselves . . . not worrying about what might have been.

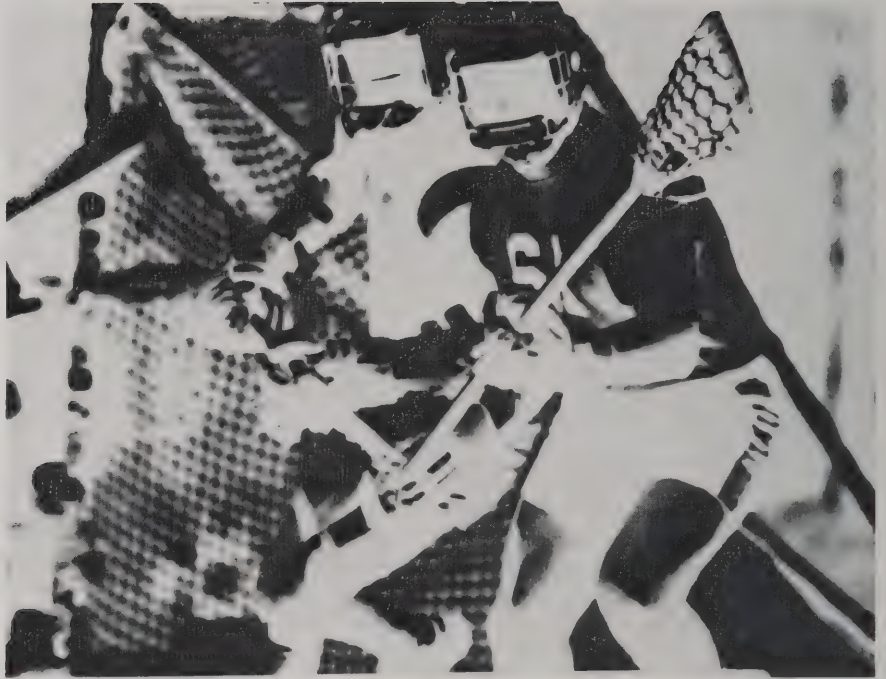

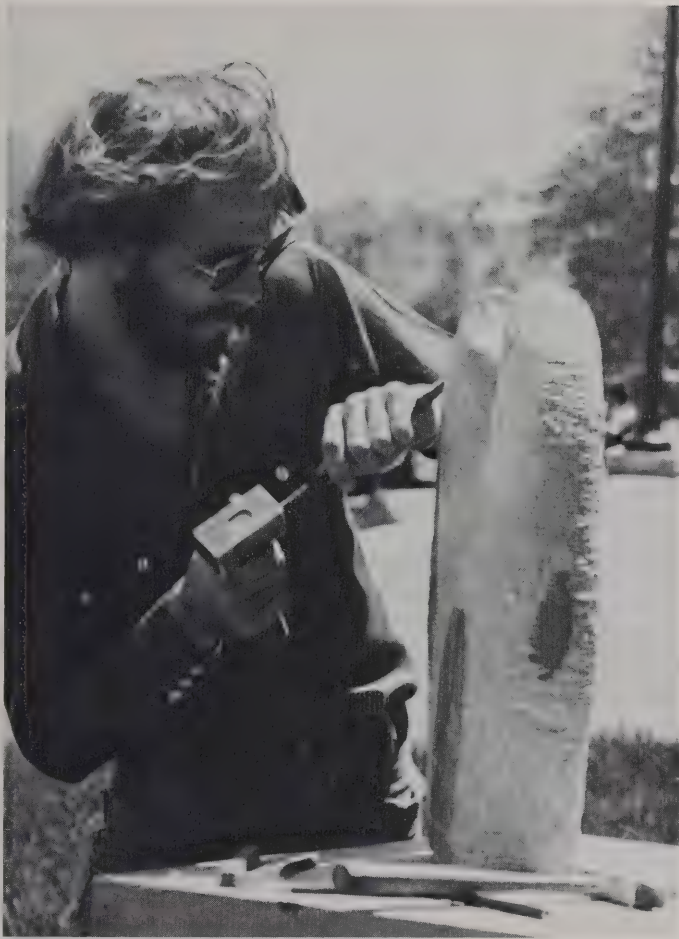

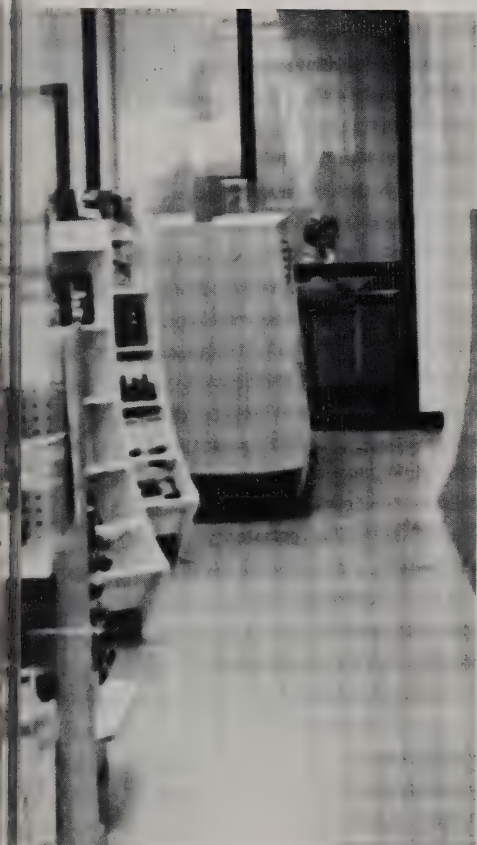

Days of work
Days of play

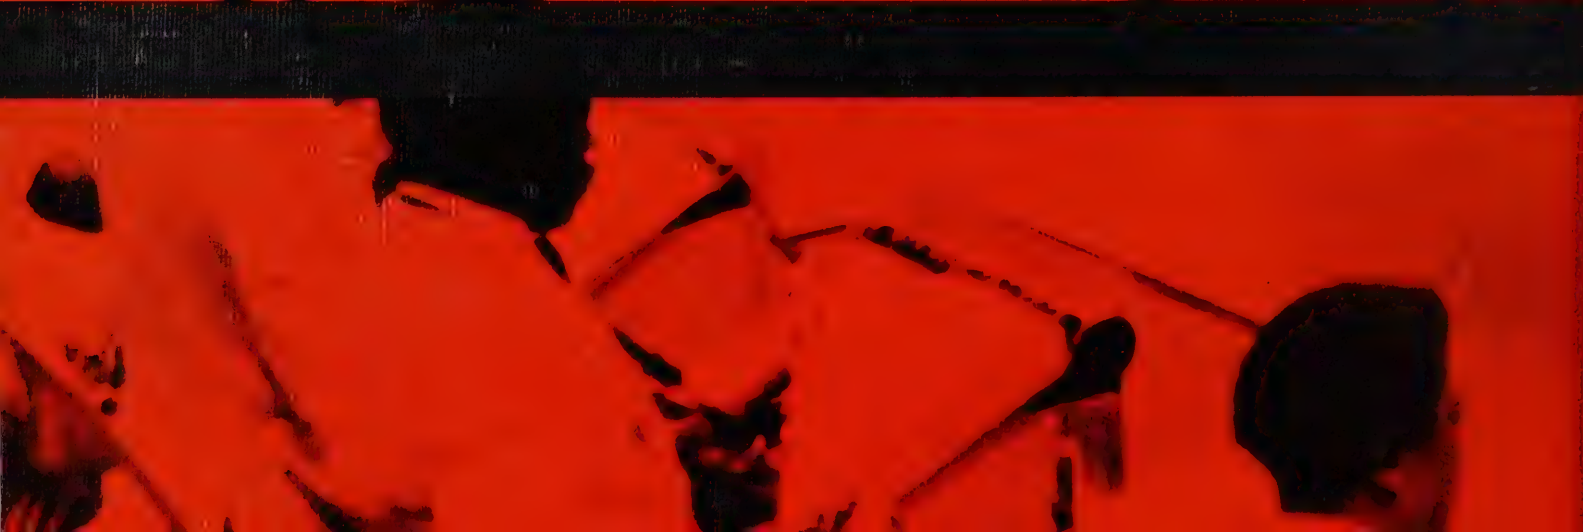

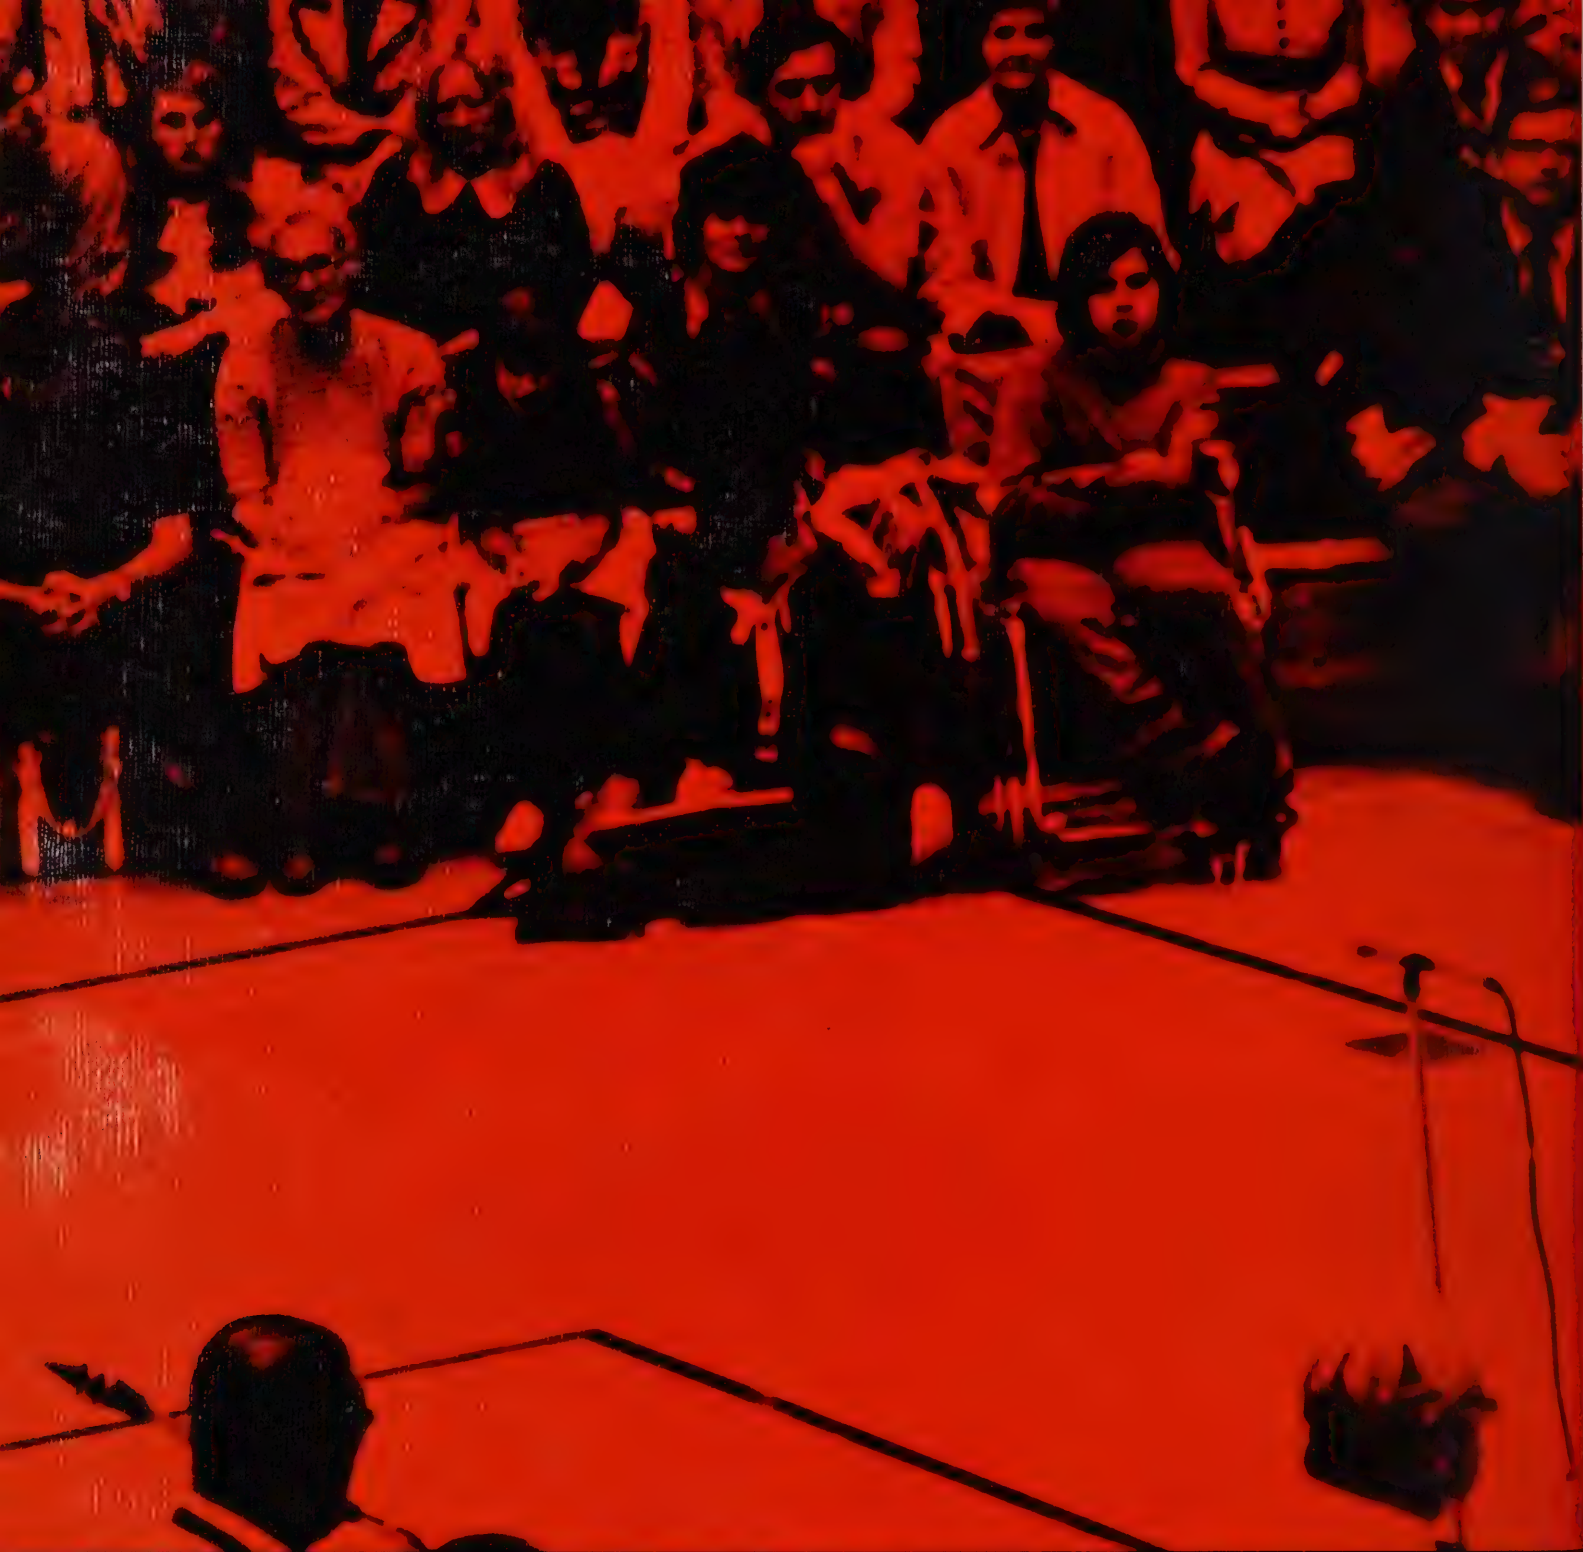

We were all once children. The days turned to months and the months to years. It all passes too quickly.

Along with each new day we find
new opportunities, new friends,
new memories we will never forget.
It's not over yet, we still have
a lot of growing left to do.
I will remember these times well . . .

Alumni Dance

Blithe Spirit

For three days, October 19, 20, 21, Essex presented its first play of the year, *Blithe Spirit*. The play, based around a poor henpecked man, tells of his women plagued life and how he, in the end, rids himself of all his problems, both dead and alive. Presented with candid humor, a good cast, and some great stage effects, the play proved to be a great success.

2001: A SPACE ODYSSEY

On a cool moonlit Autumn night in the Chesapeake Bay, the good ship Port Welcome put-putted along its merry way with a full crew of Essex students and the rock group Trilogy. With thanks due to the great music and perfect weather October 28, 1972 proved to be a very memorable night for all those who attended the first Port Welcome dance of the year.

Port Welcome

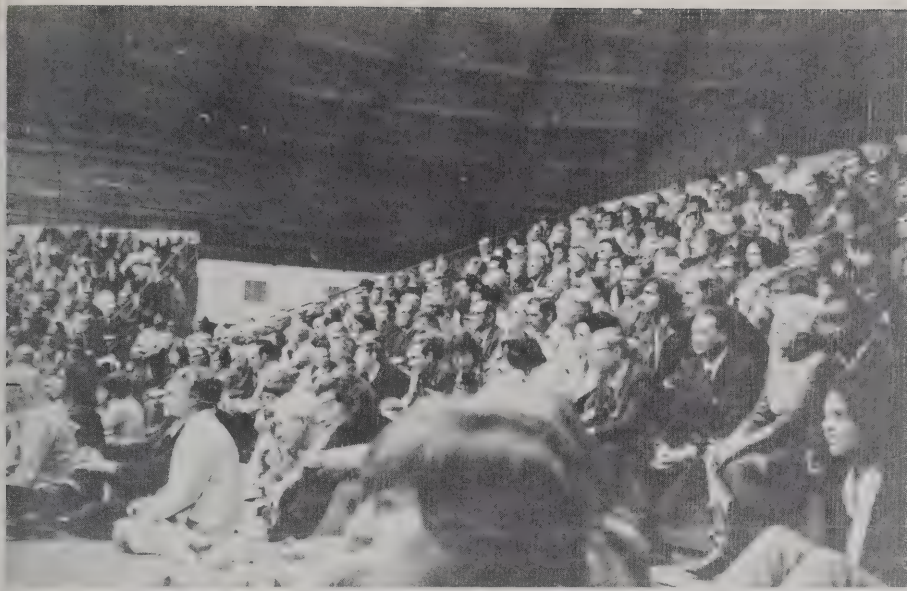

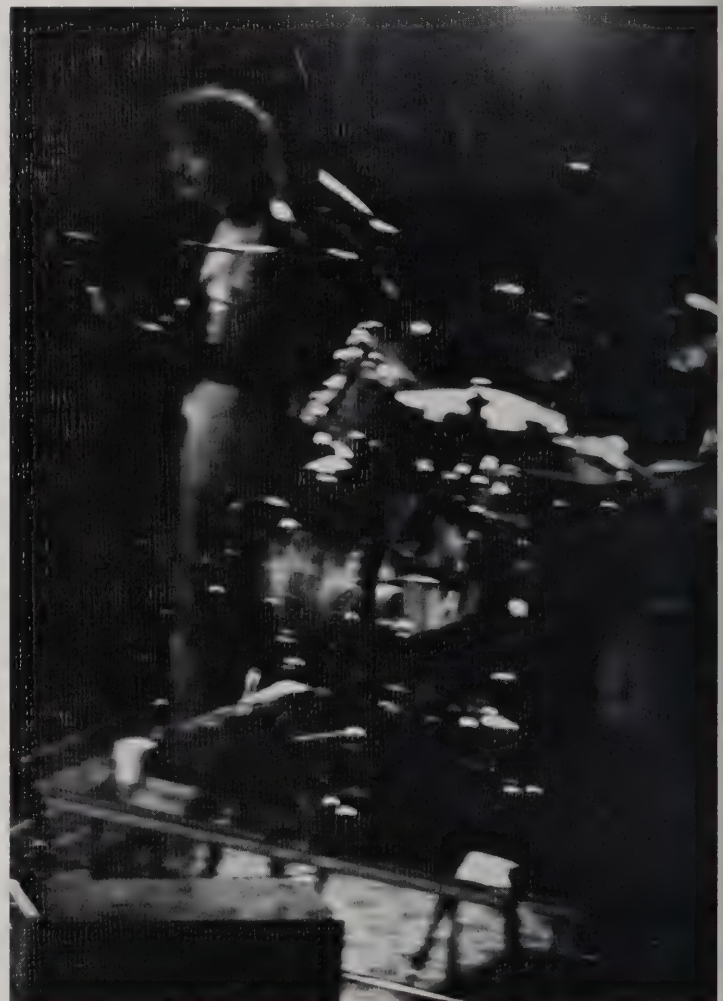

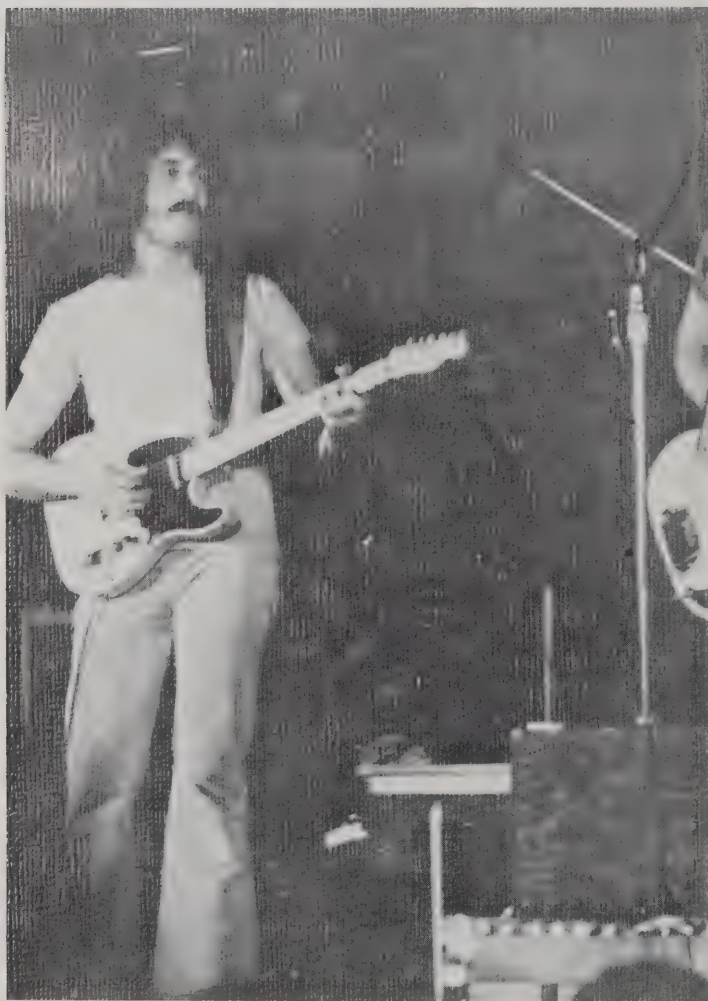

Duke Ellington

On November 1, 1972, Duke Ellington came to Essex and performed for 1,000 people a truly excellent jazz performance. Besides being a great performer, the Duke proved to be just as accomplished as a dancer as he turned a silent destitute field house into a roar of excitement and applause.

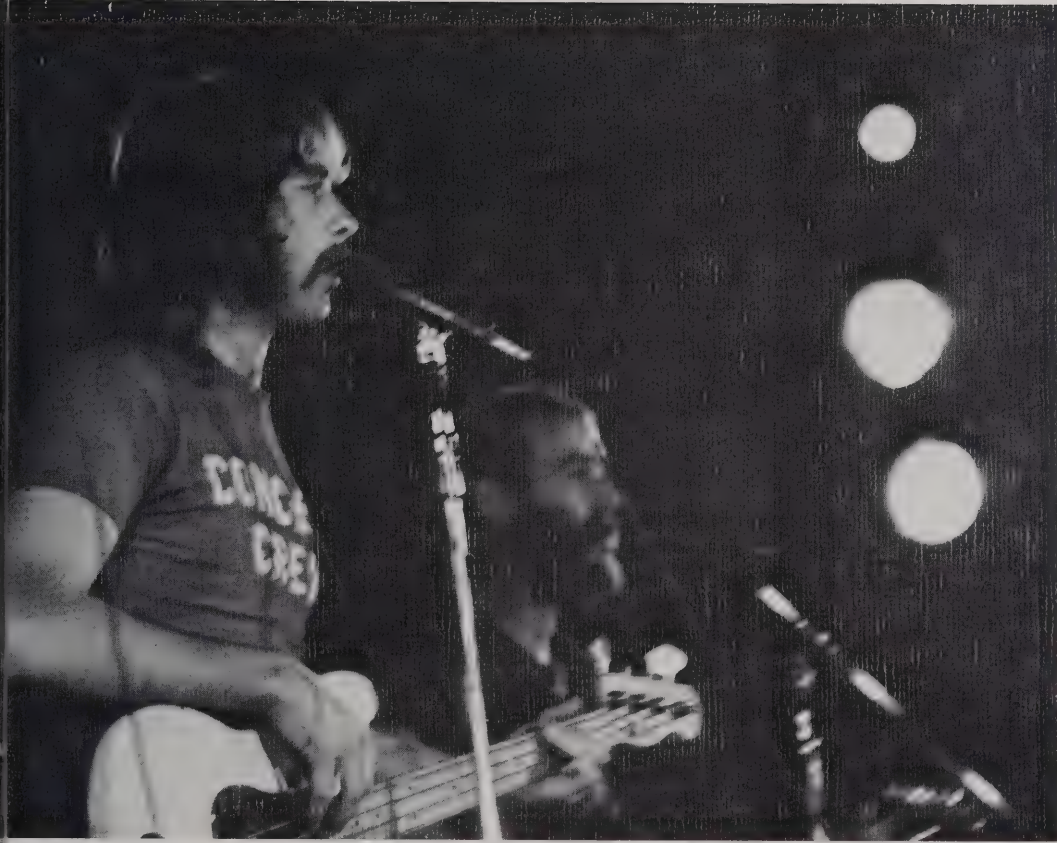

Crazy Horse

November, 1972

Romeo And Juliet

On November 11 and 12, 1972, E.C.C.S.T.A. presented its first play of the year, "Romeo and Juliet," a tragedy of the Capulets and the Montagues, written by William Shakespeare. The play, thanks to a great cast and a lot of hard work, turned out to be a very worthwhile success.

Bach's Uncle

E.C.C. sponsored a concert at Perryhall Sr. High School featuring Bach's Uncle, on November 24. This group played a variety of music which delighted both the young and old in the audience.

ACTIVITIES — WINTER

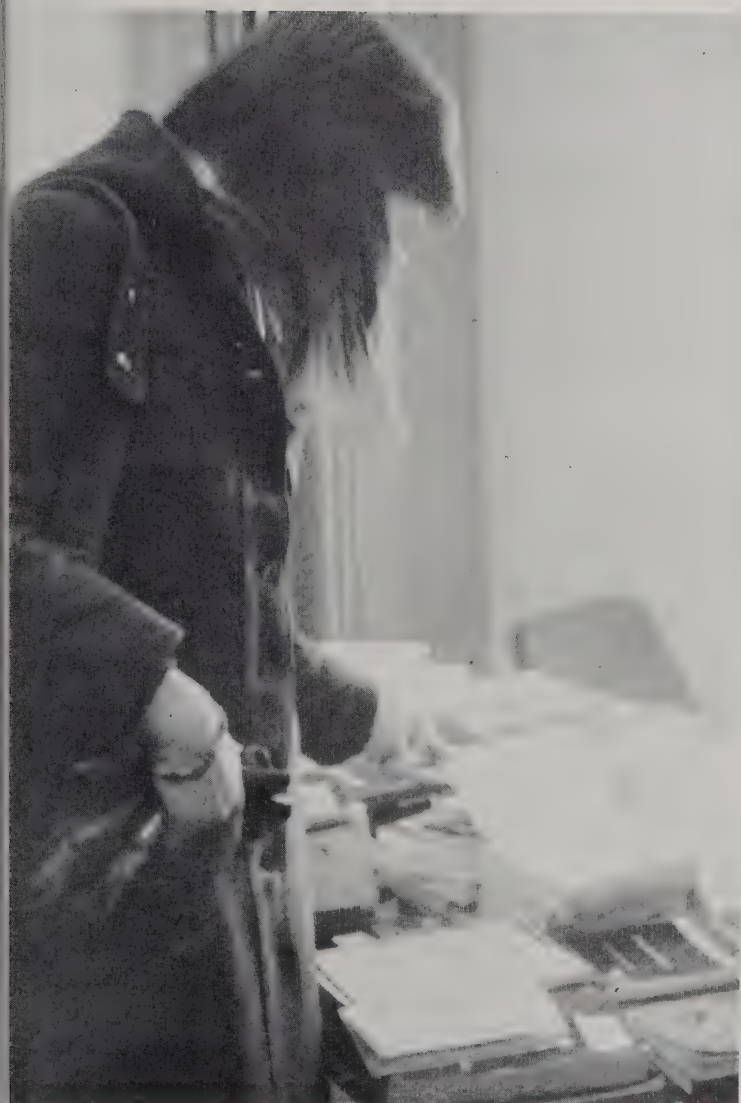

Christmas Concert

People's Booksale

The People sponsor a booksale twice a year for students who want to buy and sell their books at a very low cost. The sale is usually held at the beginning of each semester.

Children's Christmas Party

On December 17, 1972, 150 inner city children came to the annual Children's Christmas Party sponsored by Community Services. Amidst all of the balloons, the movies, the food and, of course, Santa Claus, the air was filled with gaiety and laughter.

Christmas Dance

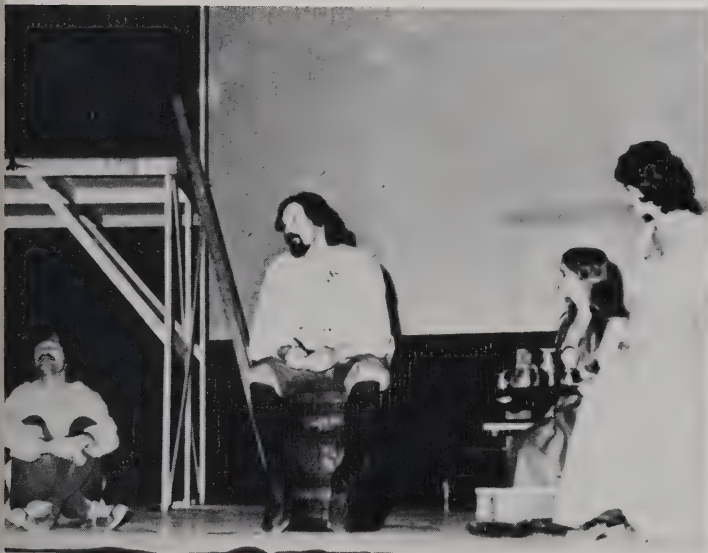

On December 29, 1972, Essex students gathered at North Point Gardens for the annual Christmas Dance. The music was by Coyote and Kotten. With friends getting together over the holidays it proved to be a very successful evening.

Canterbury Tales

The Essex Community College faculty and staff presented the Faculty Follies and Canterbury Tales, a musical comedy based upon Chaucer's Tales on March 1, 2, and 3.

Harvest Arts Festival

On Saturday, October 26, 1972, the People held their annual Harvest Arts Festival. People came from all over Maryland to display their arts and crafts. Because of inclement weather the festival was held inside which prevented many people from coming.

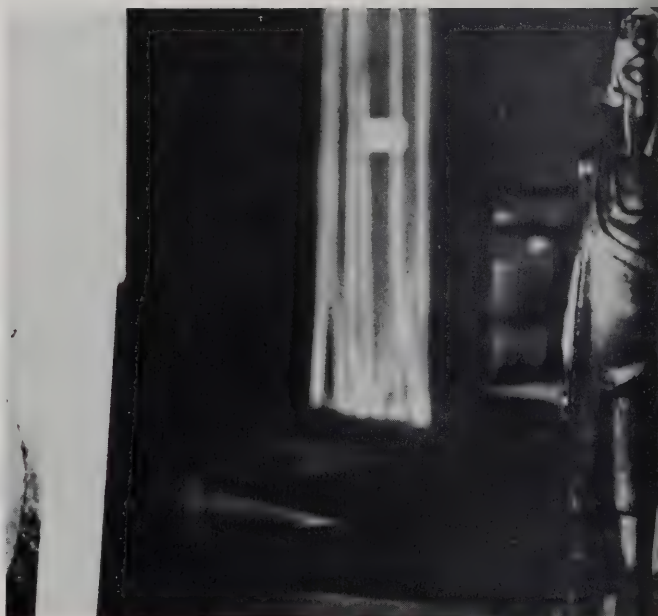

Valentine's Dance

The Essex Community College Valentine's Dance was held on February 17, 1973. Location was the old Knight Spot. Although there was not a huge crowd on hand the dance was considered a success by those who attended.

Black Culture Week

Black Culture Week was sponsored by the Black Student Union. The students were invited to see movies, a fashion show, art displays, a bakesale, and various other activities. The highlights of the week were guest speaker Dick Gregory and tenor William Brown.

ACTIVITIES

—

SPRING

She Stoops To Conquer

The third major production of the year, *She Stoops to Conquer* was performed in the new College Center Theatre on Friday, March 30th.

She Stoops to Conquer — a comedy play about an unsuspecting 'dude' mistaking his future father-in-law's house for an inn, resulting in numerous deceptions, elopements, and misfired seduction scenes.

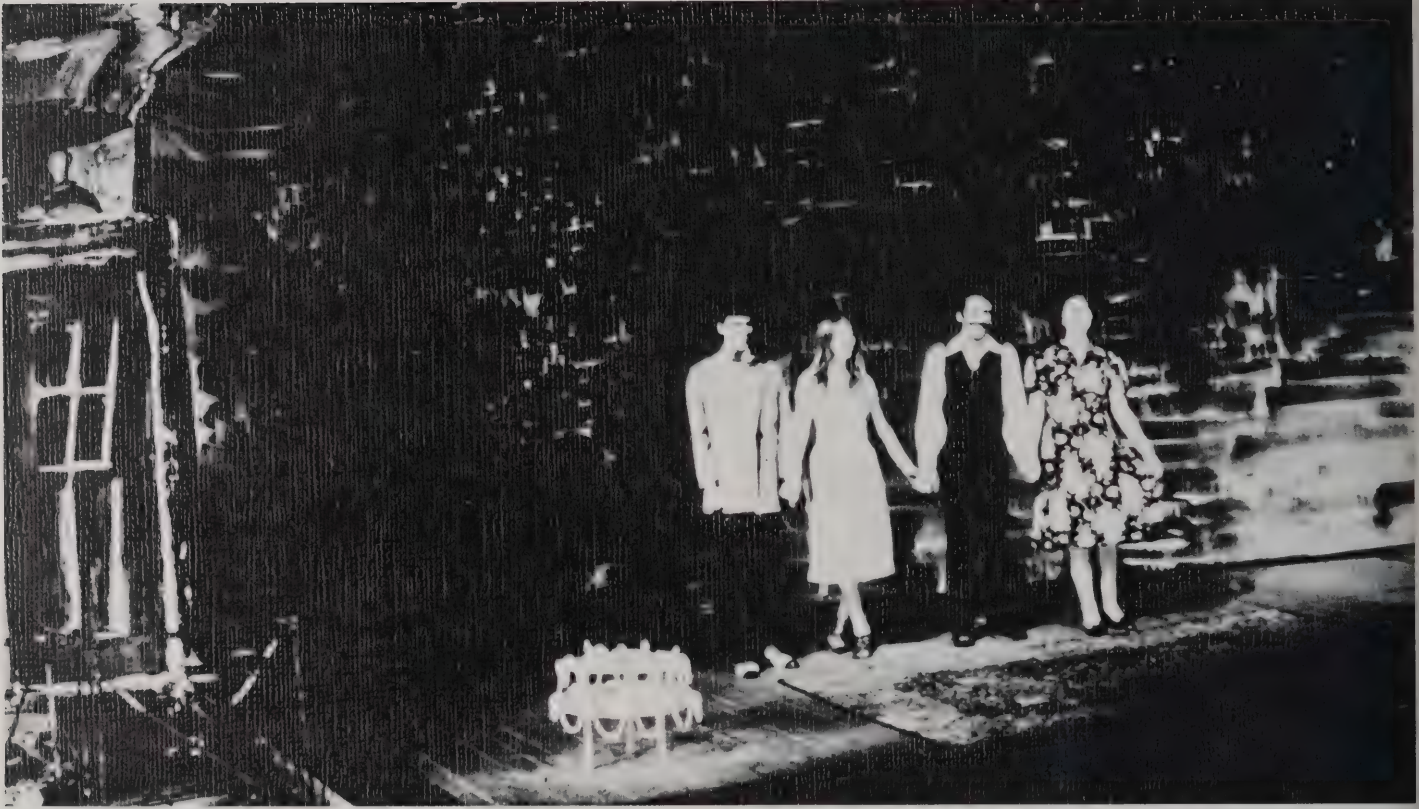

CAST

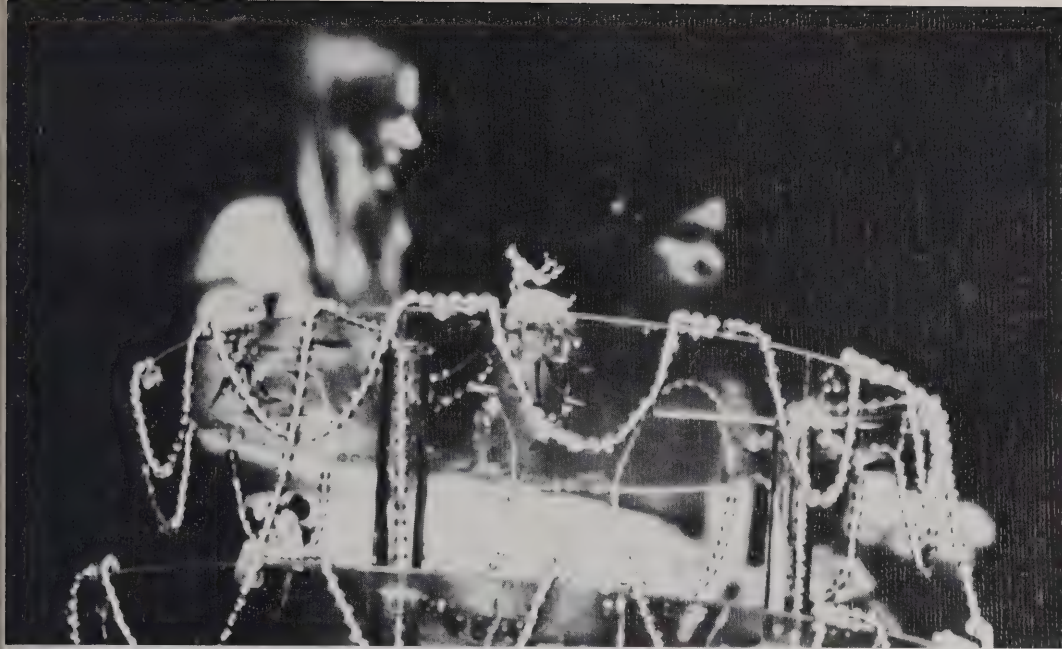

Kate Hardcastle	Mary C. Hunt
Marlow	Gerry Veydt
Mr. Hardcastle	Miles Everett
Mrs. Hardcastle	Barbara Foresman

Hastings	Tom Seddon
Tony Lumpkin	Dennis Leicht

The Glass Menagerie

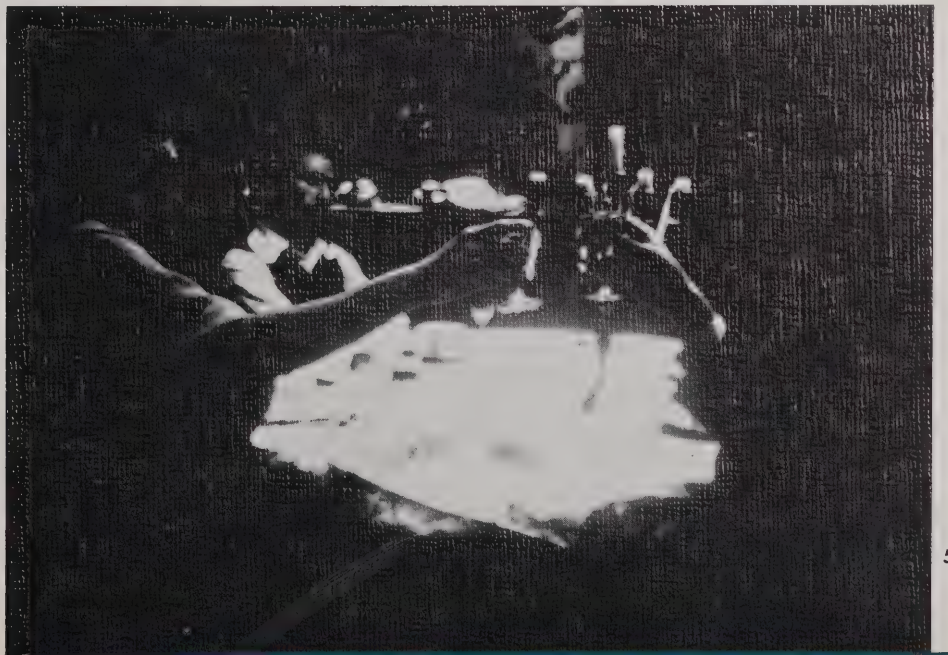

On May 10th, 11th, and 12th, the ECC theatre series presented "The Glass Menagerie" by Tennessee Williams.

The characters included Carole Myers as Amanda Wingfield, Mark Basile as Tom Wingfield, Shirley Chason as Laura Wingfield and Miles Everett as Jim O'Conner.

The Play — Tom is a warehouse worker and poet who lives in a small apartment with his mother Amanda and sister Laura. Amanda is quite overbearing, which drives Tom to drink and increases Laura's self-consciousness about her handicapped leg. Amanda makes Tom find a suitor for his sister; so he invites a high school acquaintance named Jim to dinner and to meet Laura.

Abduction From The Seraglio

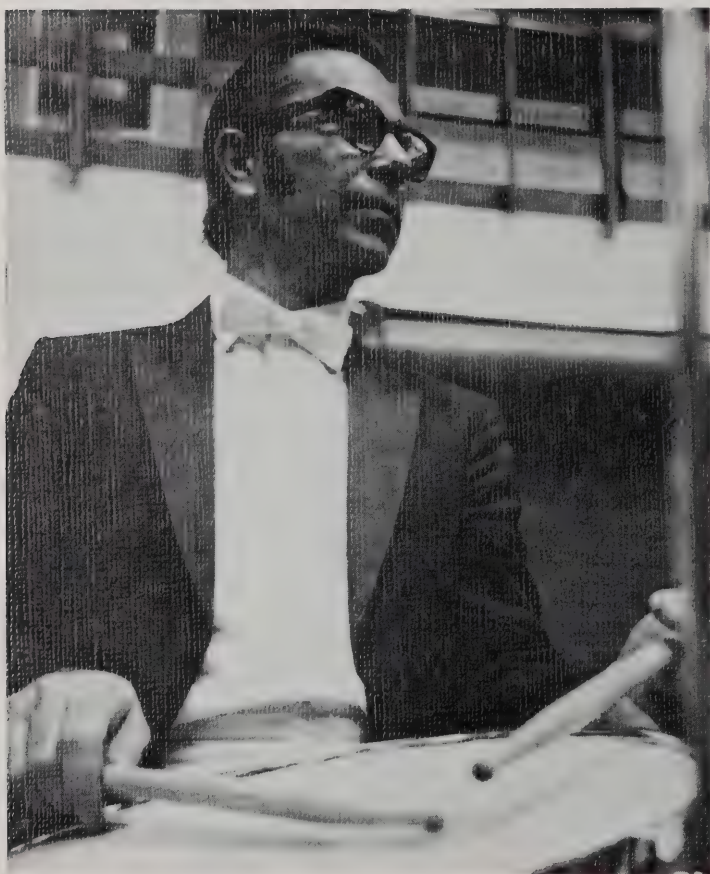

"The Abduction From the Sergalio," a comic opera in three acts by Mozart was presented on two alternate dates by the Harford Opera Theatre. It was held March 31st and April 2nd in Essex's College Center.

CAST William Brown, Josef Gastern, Joseph Porello, William Ellis, Ruth Drucker, June Cooper.

Saul Lilienstein, Director for the Opera Theatre and associate professor of music at Essex was music director. Stage direction was by Arne Lindquist. Set design was by Barbra Phillips, and Robert Stoltzfus was production consultant.

Baltimore Symphony

The Baltimore Symphony Orchestra under the direction of Sergiu Comissiona performed here for students and their guests on Tuesday, May 1, 1973. Among the works that were played were selections from Schumann, Haydn, and Tchaikowsky. The concert was such a success that the symphony will return next year.

Spring Formal

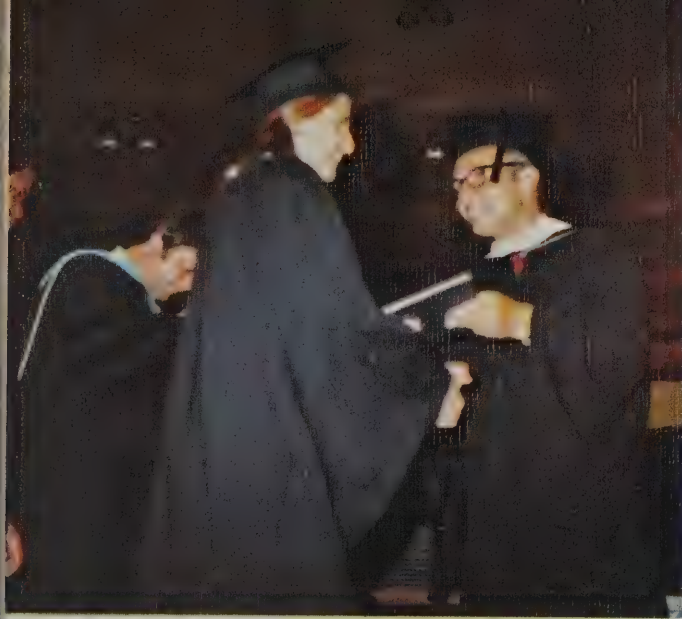

The Eastwind was the setting for the annual Spring Formal held on May 5, 1973. The music was supplied by two rock bands, Legend and Paper Cup. The evening ended in the early morning hours with many couples heading for the ocean and parties.

It's a pleasure to be invited to make a written contribution to the Yearbook. For one thing, when that happens, it indicates that we have survived more than half of another year, and that Spring is just around the corner. This year I know will be ably recorded in this book through the conscientious work of Douglas Anderson and his staff.

I believe I can sincerely report that the 1972-73 year will show on the record as one of noteworthy achievement for Essex Community College.

This year saw the start of our Physician Assistant program in association with The Johns Hopkins School of Health Services and Franklin Square Hospital. This program also enables us to claim the honor of being the first 2-year college in the United States to have this program approved by the American Medical Association.

This year, too, among our graduates will be our first class of Radiologic Technicians. They were a group of hand-picked men and women from the start, and their attrition rate has been quite low in comparison with national statistics. We have every confidence that they will prove to be pace-setters for the acceptance of Essex graduates in an important field of medicine.

In the academic area, articulation has been a priority endeavor this year. We have had top level meetings with the University of Maryland, the State Colleges and The Johns Hopkins University which we have expanded to inter-faculty meetings with these institutions. This should enable qualified students from Essex to better compete at senior institutions with students already there.

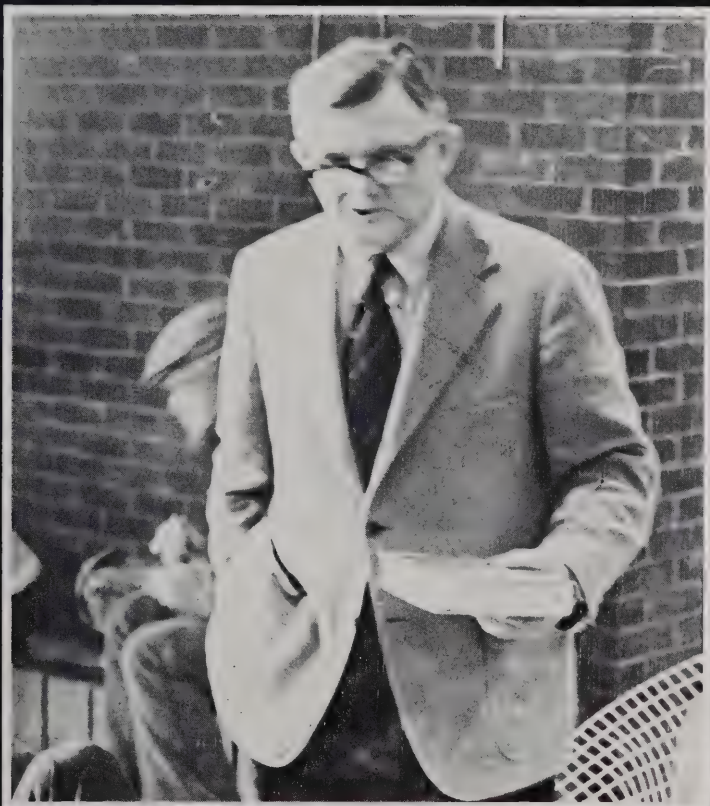

As you know, two new buildings, the Humanities and Arts and the College Center have been opened this year, and the Science and Allied Health building is well on its way. We are also about to complete approval procedures for a building to house the Social Sciences and the Counseling Divisions.

This year, too, with the advent of our new theatre, we hope to see launched a Summer Theatre. Also in the Drama Area, a number of our students have created tremendous goodwill for Essex, both in our community and in the world of Higher Education through their outstanding performances in Readers' Theatre. Not to be outdone, both students and faculty in Rhetoric and Public Address have made great strides, by getting placed in tournaments and organizing speech events on campus. Another first for this year has been the opening of our Day-Care Center, and as expected, our Children's Developmental Clinic continues to expand and serve an increasing number of Baltimore County residents.

Our Health and Physical Education Division continues to serve our community, and a number of our teams have really made their mark in collegiate athletics this year.

As I have so often said, such achievements as Essex has produced this year or any year, are only possible through the cooperation of many people at all levels in different areas of the College. We have a great college team which hopefully will continue to play the game in a way which will produce the greatest benefit for the people of Baltimore County.

Soccer

The E.C.C. soccer team enjoyed a successful season in winning 10 games while losing only 2 and gaining 3rd place in the NJCAA Region XIX Tourney at the season's end. The team offense was led by freshman forward Ed Zeller who scored 8 goals and 13 assists for a 21 point total. Defensively the team leaders were veteran fullback Skip Josephson and freshman goalie Bob Thumma. High point of the season was a 1-0 clutch victory over Catonsville in the final game of the year. This put Essex into the Region XIX Tournament and a possible bid to the National Finals. Thumma and Kddley were selected on the All Tournament team.

Essex	46	Rock/Mont	15

Season 3 Won 5 Lost

The Essex Cross Country season got off in good fashion when the team finished in second place in the highly rated Glassboro Invitational Meet in New Jersey. With many of the best junior college runners in the east competing Essex showed its ability by placing 3 runners in the top 7 positions to gain valued points. Although not doing too well in succeeding dual meets, Coach Lefty Elliott rallied his squad and overcame some obstacles to finish out the season with good wins over Catonsville and Mont/Rock. Best performance for the year was the 21.29 mark by Nestor over the 4.0 mile course at Glassboro. Bill Lowman was placed on the all Maryland JUCO second squad.

Girls' Lacrosse

4 Wins
4 Losses
1 Tie

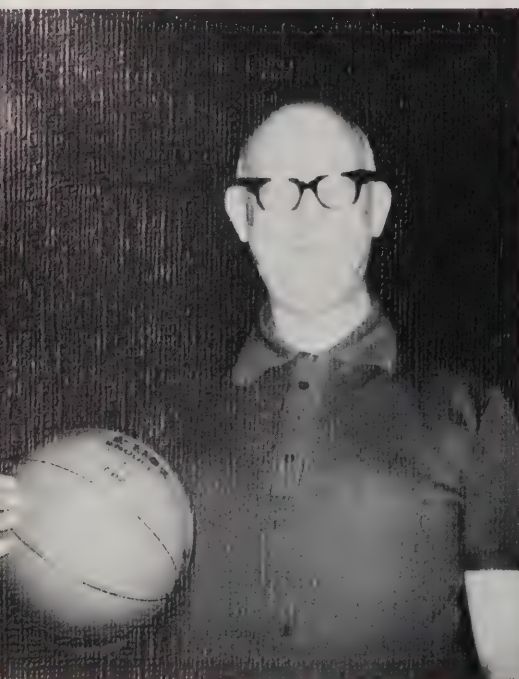

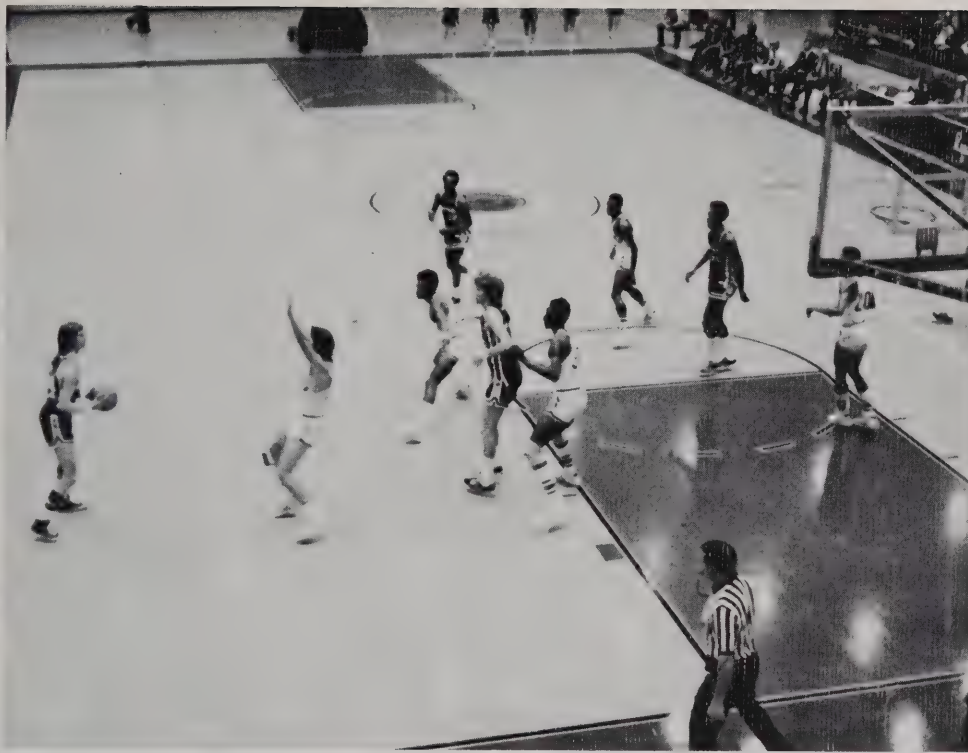

With many first time players the girls' lacrosse season proved to be very good. The season ended with 4 wins, 4 losses, and 1 tied game. Fine performances were given by both Patt Lieberman and Deb Holtschmeder. With many Frosh players, next year's team is eager to start. Other girls who gave good assists are: Joan Lieberman, Linda King, Vall Gomph, Joyce Kuhn, Renée Higgs, Alice Kozel, and Sandy Ruse.

Men's Basketball

Essex with 8 freshmen on the squad and definitely building for the future finished the season with a 11 and 12 record good enough for a berth in the Maryland JUCO Tournament where they were eliminated by old nemesis Baltimore. Freshman forward Eric Grandy was honored by being named on the All JUCO team. He was also the team leader in scoring and rebounds. The team was coached by Bill Silvert-horne and assistant coach Joe Smothers.

Seasons Record 11 Wins 12 L

Women's Basketball

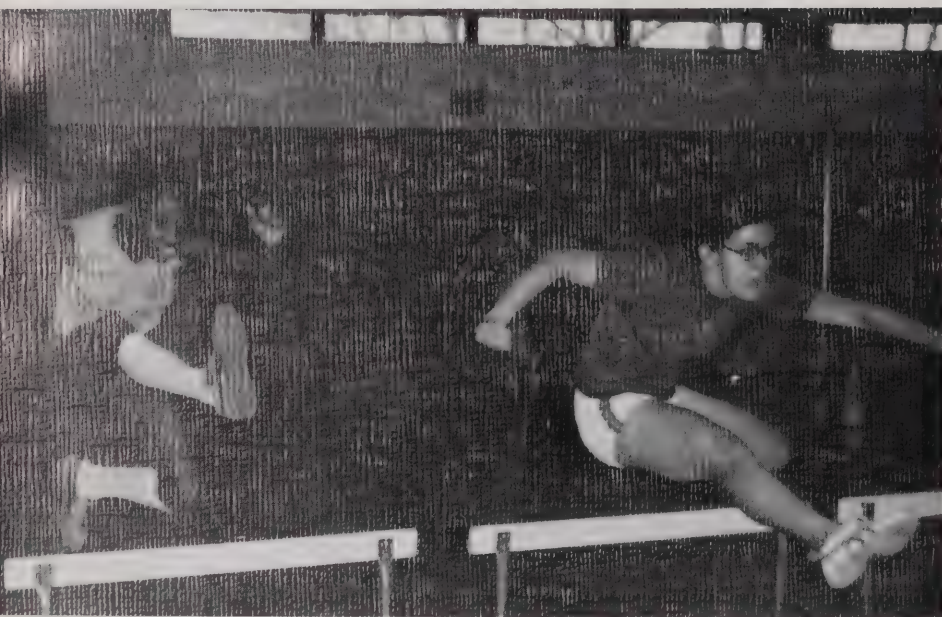

Working with only two returning players, Linda King and Bee Bush, the predominantly frosh team did an excellent job at adjusting to college play. Returning prospects for an even better season will be Valerie Gompf, Joyce Kohn, Terry Detorer, and Debbie Bowman. The team finishes the season with a good record of 9 wins and 5 losses, which puts Essex's women's basketball team in third place in the junior college league.

Indoor Track

The indoor track squad coached by veteran Lefty Elliott and assisted by Jerry Vignola produced some outstanding marks in the local field-house and was good enough to win the Maryland State JUCO team title for the first time. In addition to this championship, the team also finished 2nd in the mile relay at the Chesterfield Invitational Meet in Richmond, Va. This meet was mainly dominated by four year schools and Essex faced some of the standout track stars in the east. The squad was led by the mile relay team composed of Mike Hasty, Bruce Kendal, Nate Spencer and Tim McSorley.

This quartet not only set a new school record in this event but was good enough for an invitation to participate in the National Championships in Kansas City, Missouri where they finished 6th in the entire nation. Nat Spencer also set an individual mark in the 600 yard run and he too did well in the national meet, finishing 4th among all junior colleges in the country. In the field events, Chip Goodman established a new school mark of 14 feet in the pole vault which was set in our fieldhouse.

Essex	34	Prince Georges	18
Essex	8	Catonsville	37
Essex	22	Wesley	27
Essex	6	Montgomery/Rockville	43

Season 3 wins 3 losses

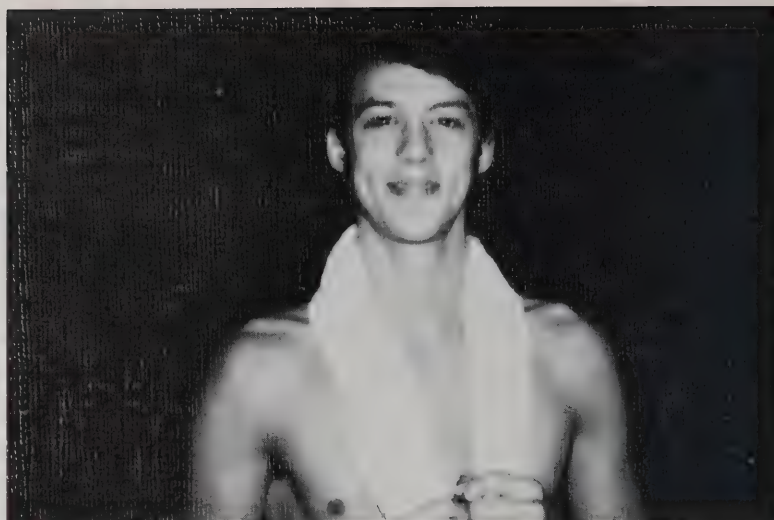

In a season that was cut short by cancellation of the final two matches because of crippling injuries and a badly depleted squad, Essex was fortunate to finish the year with a .500 mark in dual meet competition. Starting off the season with three consecutive and very decisive wins over JUCO opponents, the Knights were looking forward to their best wrestling campaign in years. A second place finish in an Invitational Meet at Catonsville and fourth place in the tough Westchester, N.Y. Invitational added to the prospects for a good year.

Outstanding wrestlers were all sophomores. Kevin Neimeyer, at 126 lbs., finished with a 5-1 mark. Bob Peterson at 142 lbs. and Tim Eder at 159 lbs. each finished with 4-1.

Swimming Club

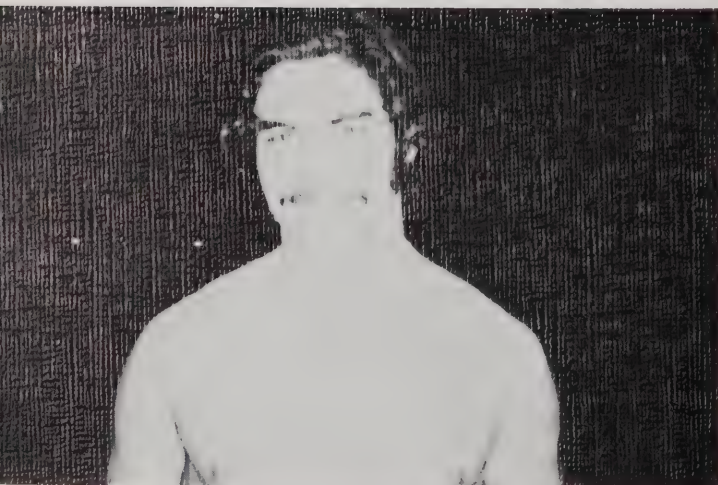

Essex started its first school swimming team on a "club" basis. This was mainly due to a lack of competition within the state and most matches had to be competed outside of Maryland. Both men and women made up the Essex team and although no records were set, some very good marks were established and the swimming program is definitely well established and on its way here at Essex. Pat Kelly did a very capable job of coaching the squad. The Region XIX Swimming Meet was held in our pool and won by Mont/Rock.

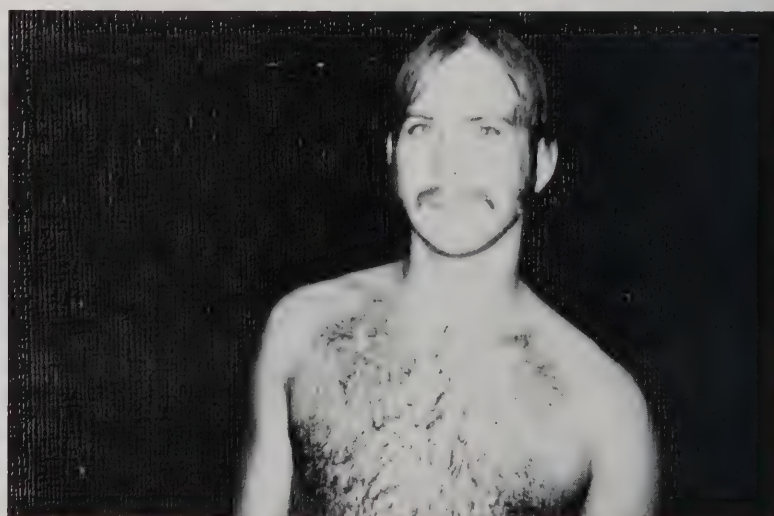

Bob Mailatesi

Kathy Eited

Jorge Fernandez

Dennis Buckless

Al Iverson

Nancy Fassio

Winner of first competitive swimming held in our pool

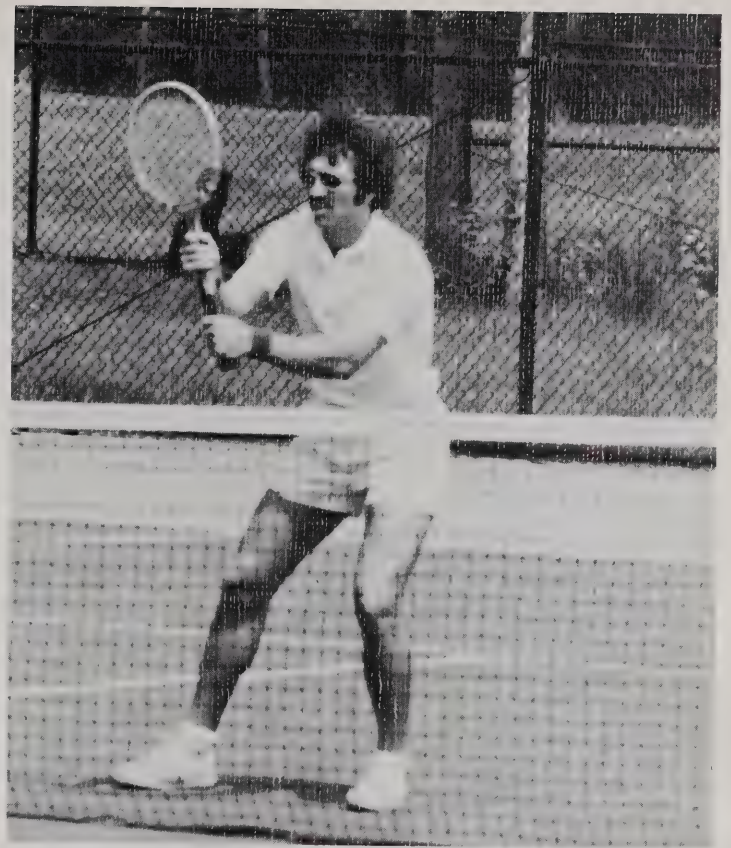

Vic Liberatore

Tennis Team

Top seeded players on the team were Bob Lake (#1) and Evan Fogarty (#2). In the Maryland JUCO tournament the #3 doubles team finished runnerup in the consolation round. This duo were Steve Edgar and Al Iversen. And for the first time a female competed on even terms on a varsity sport. She was pretty sophomore H. B. Warner and she did an outstanding job.

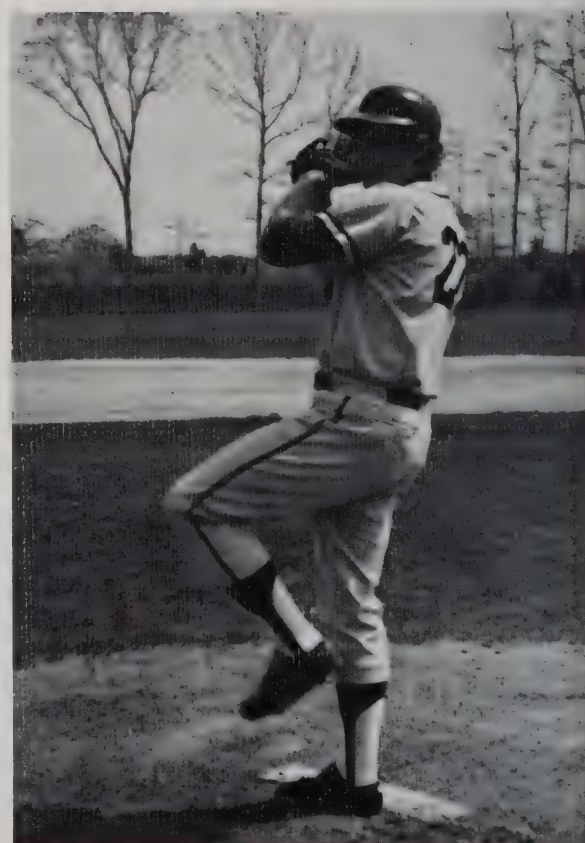

Essex	0	Rock/Mont	9

Essex	2	Prince Georges	7

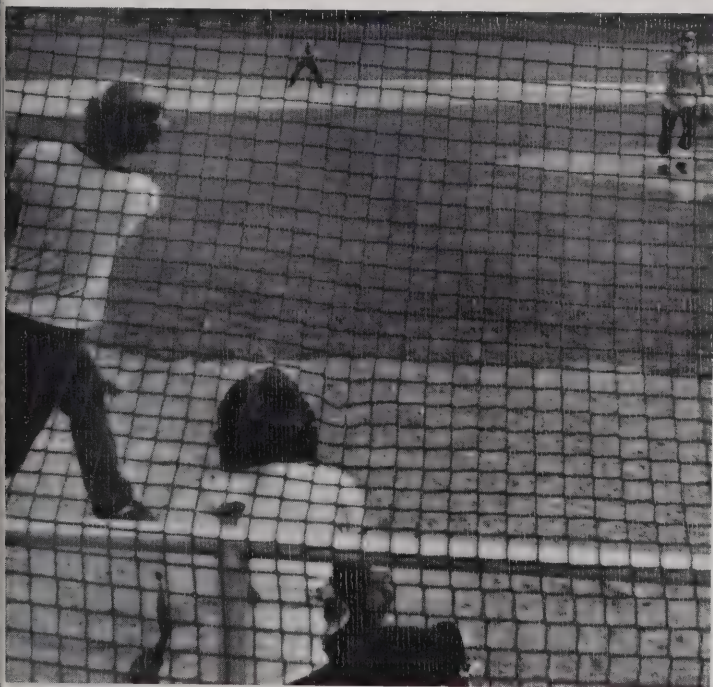

Season Won 3 Lost 5

Golf Team

The golf team, coached for the second year by Bill Silverthorne, won 4 out of 9 matches played. The team also finished in 4th place in the Maryland JUCO meet held in Hagerstown. Don Bishoff led the team throughout the season as its No. 1 man. His best score of the year was an 81.

Baseball

Leading hitter for Essex was John Liberto, who had a batting average of .306 and hit 4 home runs. Eric Grandy batted .302 and Ray Campbell had 25 hits for the season. Among the pitchers, Jim DiVenti was the top pitcher for the Knights with his 6 wins and a single loss. Rick Cech led the pitchers with 66 strikeouts. Defensively, Ted Keeey at third base and centerfielder Steve Wolfe were outstanding.

For the second straight year, the team played in the Region XIX tournament, and was beaten in the second

round 1-0 by Baltimore who ultimately went to the finals of the NJCAA tournament in Colorado.

Andy McDonald was the Coach and Bill Kurisch and Joe Murdock were co-captains.

WON 16 LOST 8

Lacrosse

The lacrosse team, after finishing 4th in the nation in 1972, slipped just a little to a 7 won 5 lost season during the past year but still an extremely good season record. The team was led by sophomore Bert Caswell who scored a new school record of 76 points on 50 goals and 26 assists. This performance enabled Bert to be named on the All American Junior College Lacrosse team, the first such honor to be awarded an Essex player in this sport. Danson Robertson was the 2nd leading scorer with 25 points and last year's leader Robbie White, beset by injuries all year, finished with 23 points.

Essex	4	Towson	8
Essex	12	Catonsville	7
Essex	11	Suffolk, N.Y.	12
Essex	17	U.M.B.C.	6
Essex	7	Anne Arundel	8
Essex	16	Frostburg State	15
Essex	13	Baltimore	6
Essex	9	Anne Arundel	11
Essex	9	Army Prep	6
Essex	17	Catonsville	10
Essex	11	Navy Prep	17
Essex	13	Baltimore	7

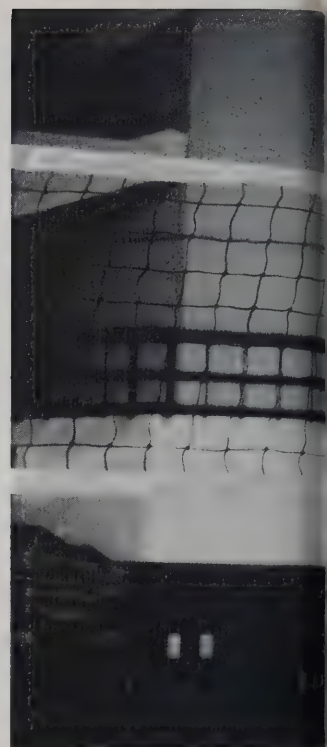

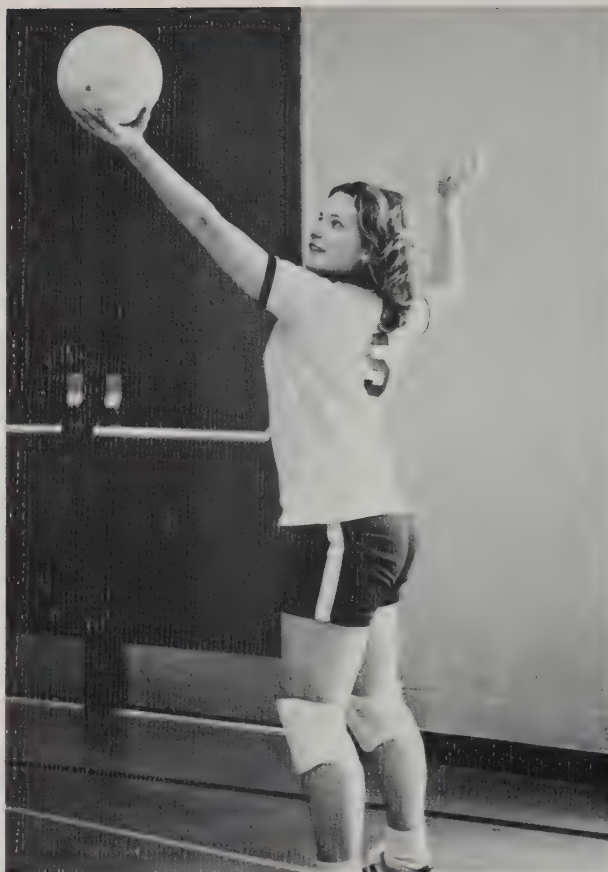

Season 7 wins and 5 losses

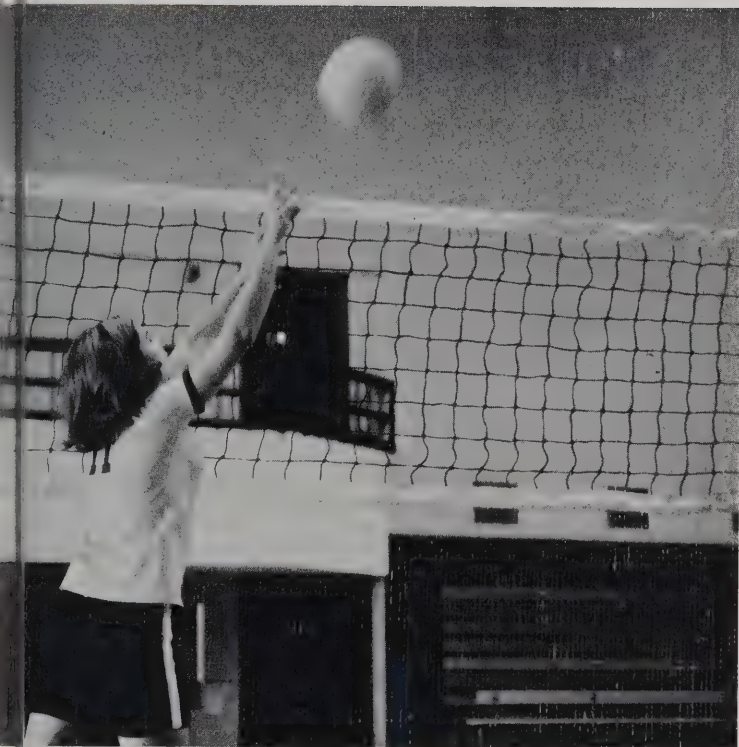

Volleyball

The girls' volleyball coached by Sue Pfeiffer romped through a 14 match schedule against tough opposition that included several 4 year schools. Essex won 8 matches against 6 defeats. Sue also coached the first JV team in the school's history and their record was an impressive 4 win and only 1 defeat. This fine mark by the almost freshman squad greatly improves the team optimism for next season. Decisive wins of the season were scored over Madison College and Notre Dame of Maryland.

Outstanding players for Essex were sophomore Pat Smythe who departs Essex after 2 outstanding years in volleyball. Pat Lieberman and Dot Raab also played well and Karen Hasenei was a reliable player throughout the season.

Judge Bill Kurisee and prosecutor Joe Murdock holding a kangaroo court

Mr. and Mrs. Cutko with underprivileged children having picnic at Essex

Region XIX indoor track champions in our gym

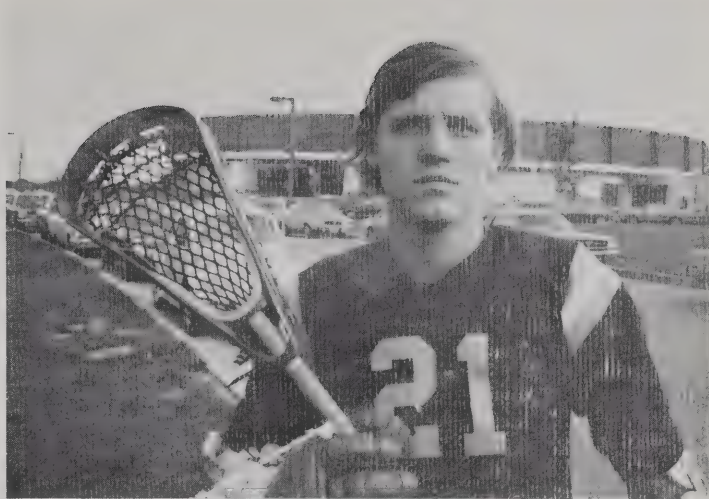

Francis (Skip) Josephson winner of Newpher Award

Linda King voted most athletic woman

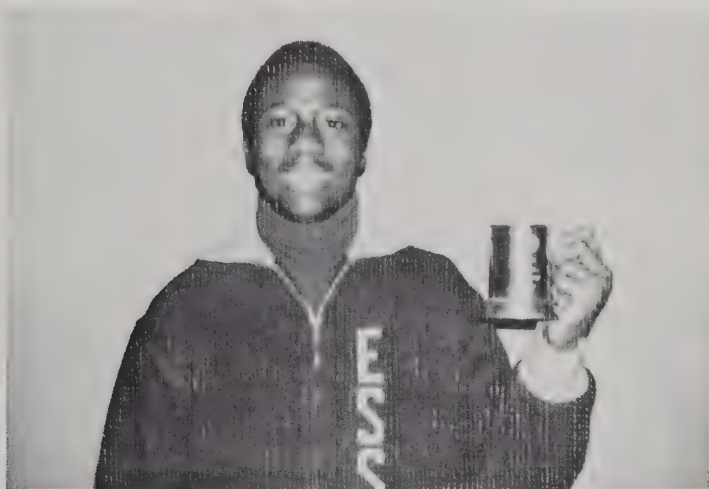

Front and center Rod McMillian E.C.C.'s Foul shooting champion with the Intramural champions (Renegades)

All American lacrosse player Bert Coswell

We can't win them all

John Wright made all tournament team in N.Y.

Mr. Rodgers with his main transportation

Connie White most valuable player on right with the all tournament team

Student Government Organization

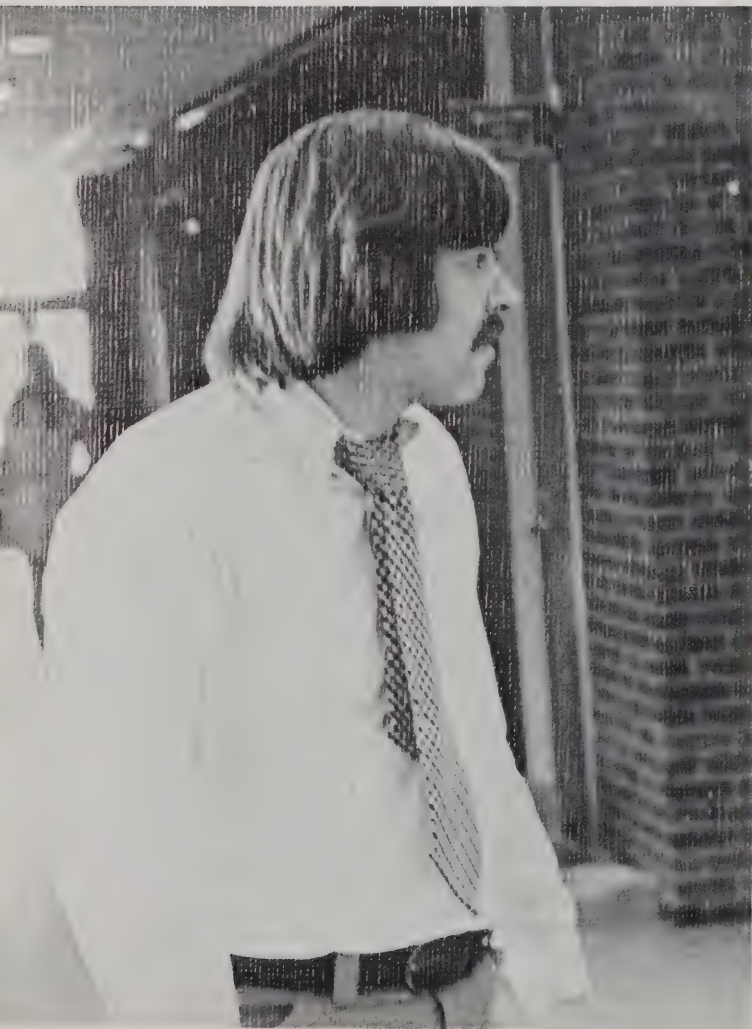

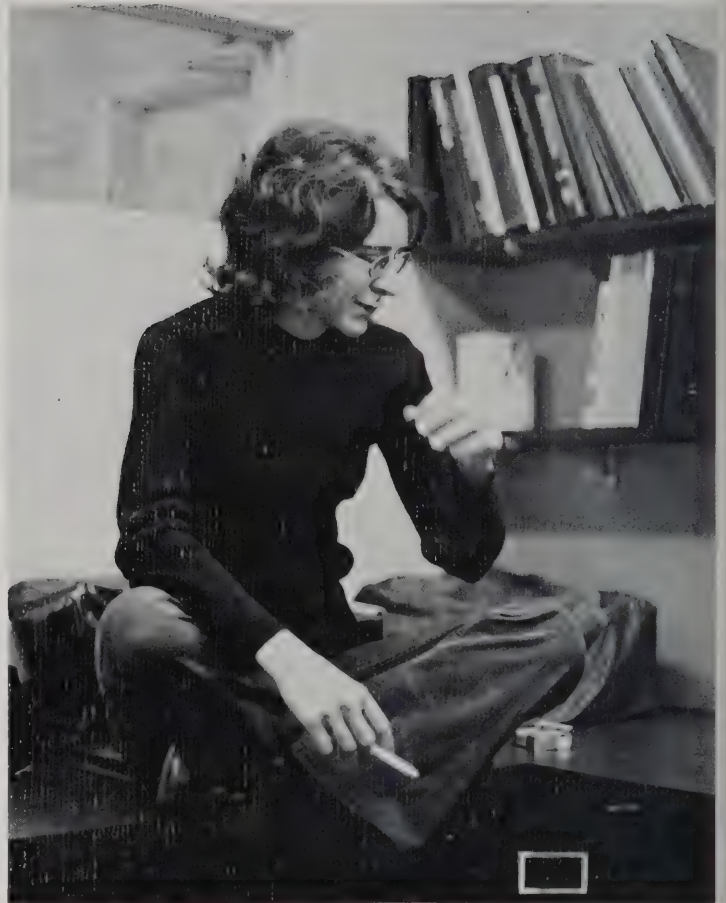

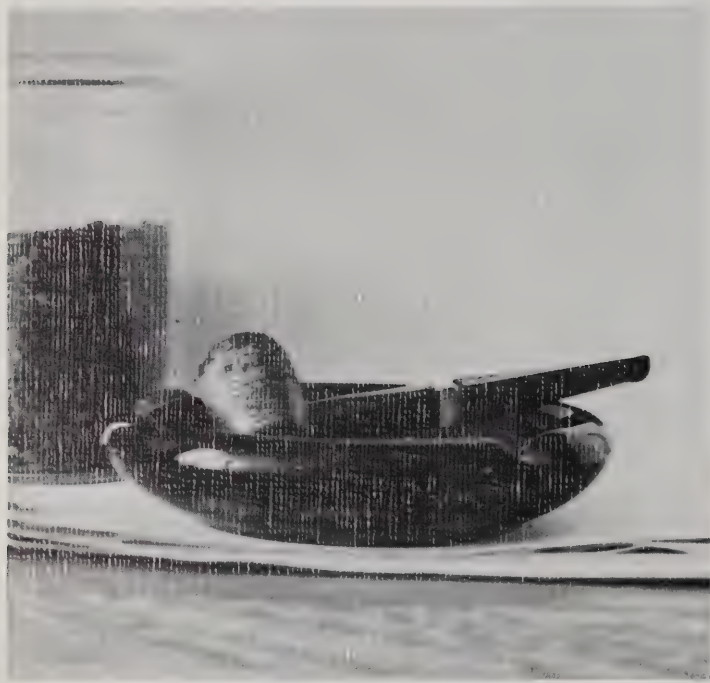

Another year of happenings, emotions, and beginnings. A beginning; moving from the Red Building to the New Student Activity Center. Happenings; Port Welcome, Christmas Dance, Spring Formal, S.G.O. Movies, etc. Emotions; dedication, sacrifices, rewards, success, failure but perhaps a new understanding of friendship and love.

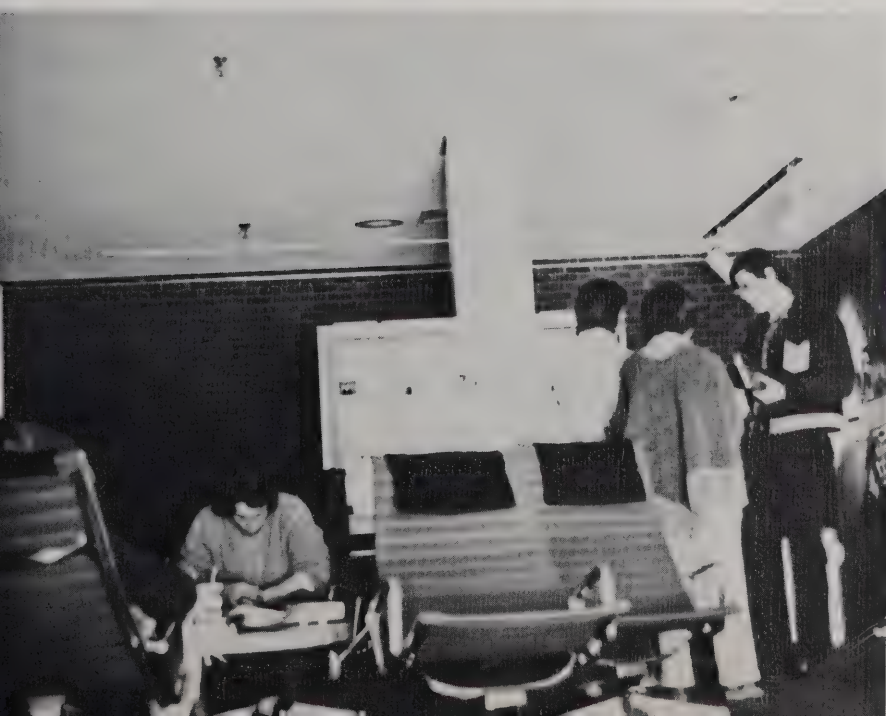

The officers of the 72-73 year at Essex were Dave Thompson, "Turkey," as president, Harry Fenwick, "Stormtrooper," Vice-President, Dori DiVenti as Treasurer, and Josette George, "George," as acting Secretary.

What we say to all in S.G.O. is a special THANK YOU FOR YOUR GIFT OF GIVING.

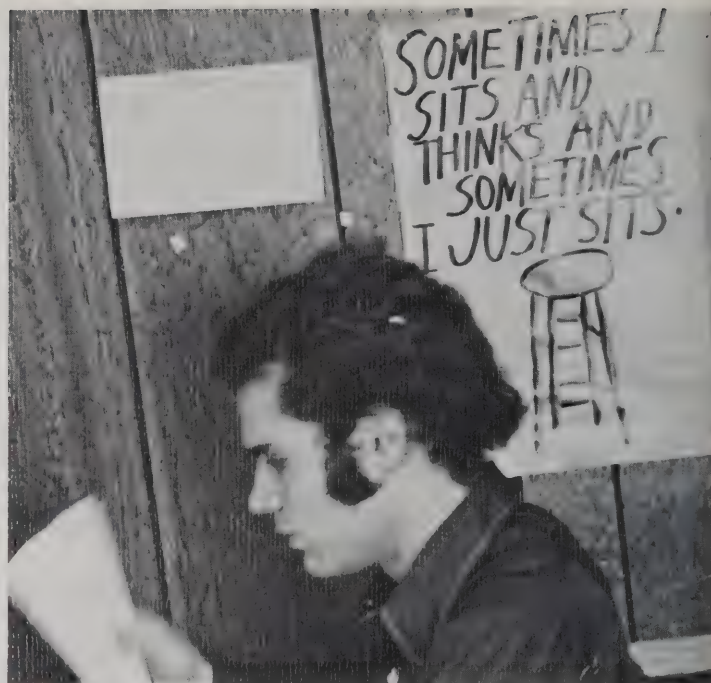

The annual staff is perhaps the most diverse group on campus. To it is entrusted the largest business enterprise at E.C.C. — that of producing the yearbook. It is composed of dedicated students working together throughout the year to make the Essex publication of the yearbook a success.

The 1972-73 Challenger Staff has endeavored to represent students, faculty, organizations, activities, sports, and functions, in the most comprehensive and complete way possible.

From the very start there was an enthusiastic feeling that reigned within the staff. Now you have seen the finished product of combined efforts of our ideas and hard work. We hope the students of Essex Community College will be as enthusiastic over this 1972-73 Challenger as we were.

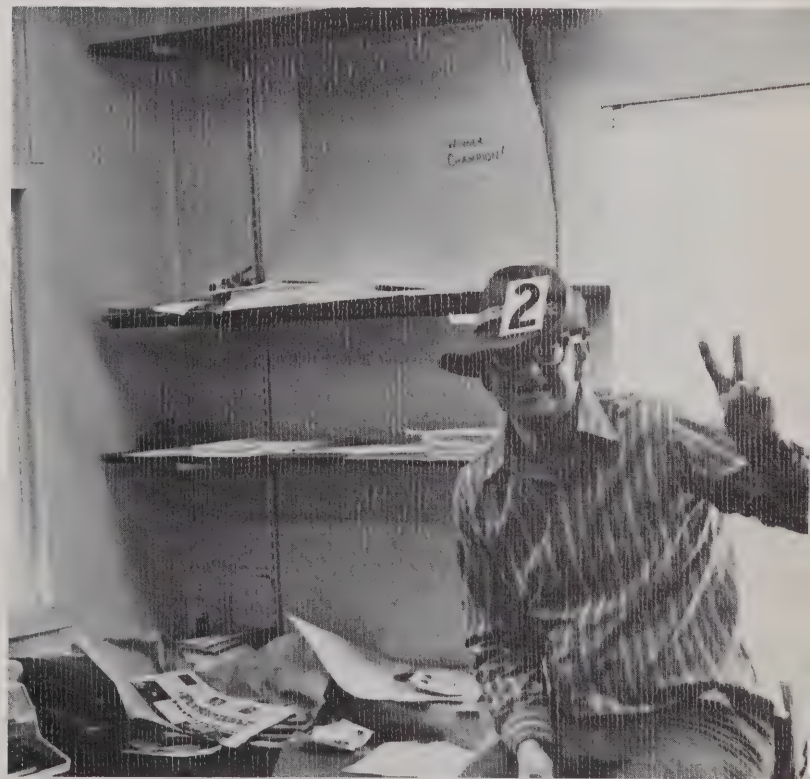

Challenger

STAFF

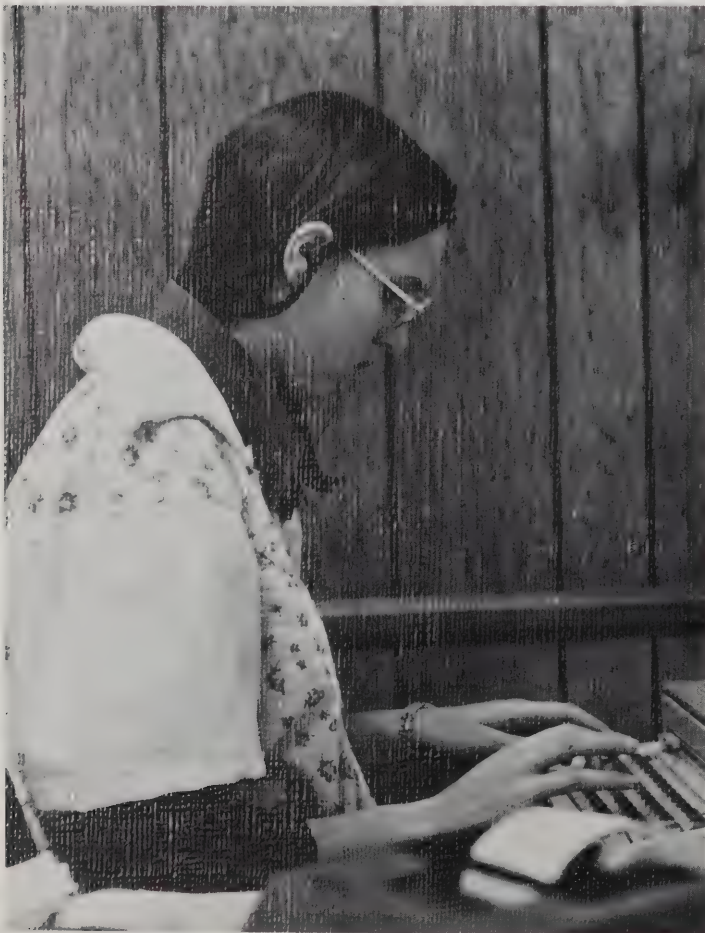

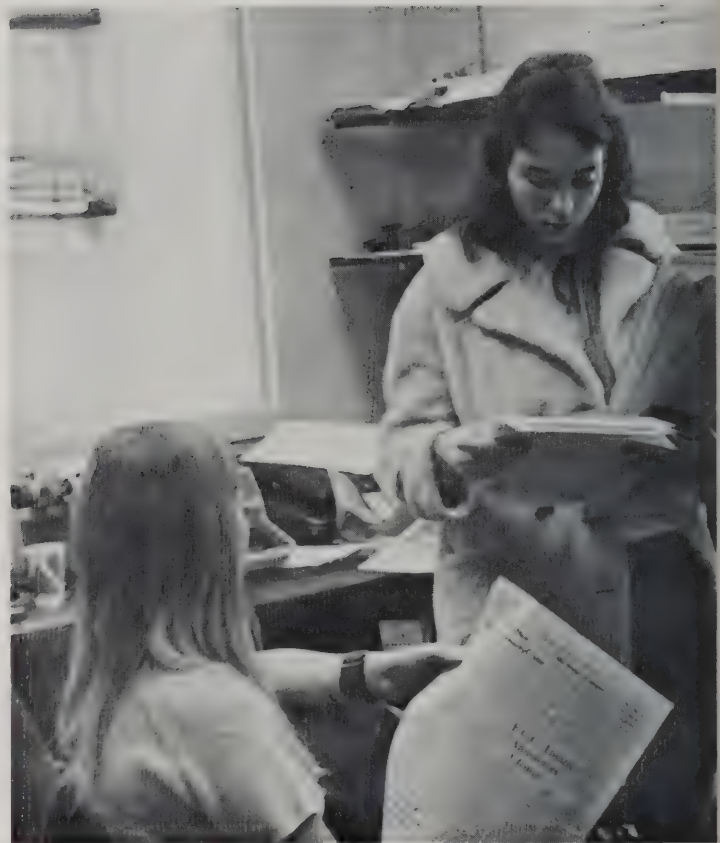

Editor first semester Patricia Linnemann
 second semester Doug Anderson
 Faculty and Administration Dori DiVenti
 Activities Liane Bands
 Sports Nick Nesteruk
 Organizations Betty Moffett
 Students Doug Anderson
 Prologue Doug Anderson
 Epilogue Barbara Knauer
 Photographers Charles Gill Inc.
 Andy Retz (Instructional Tec.)
 Jim Freeburger
 Steve Mullhane
 Advisor John Coffman

Staff Dena Bands, Susan Barrett,
 Leonard Bertin, Freda Westerman,
 Tina Zahn, Greg Kane.

Montage

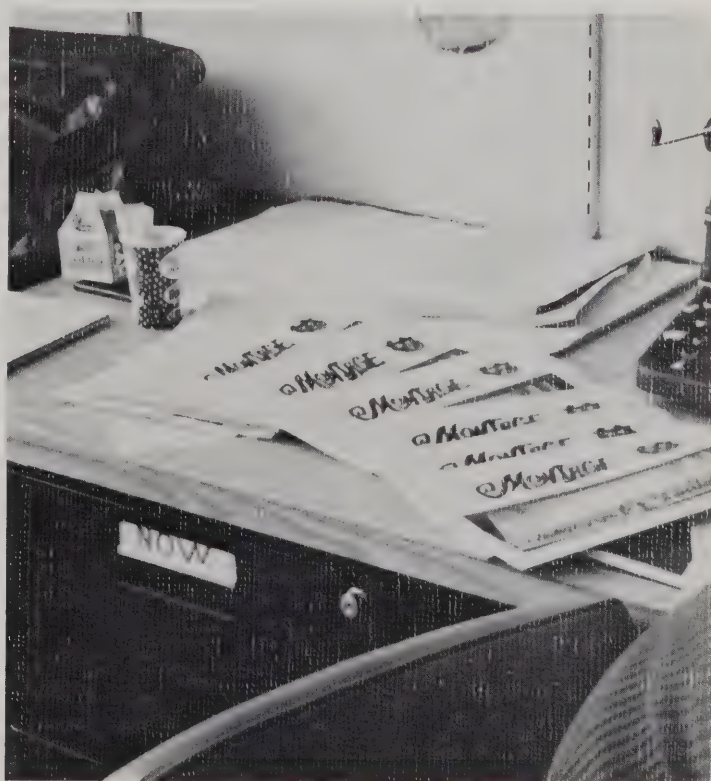

The Montage is the student newspaper of Essex Community College. It is published by-monthly by the Montage staff. The Montage contains thoughts and opinions not necessarily those of the staff. Montage welcomes letters to the editor and keeps the students informed of upcoming events of the college.

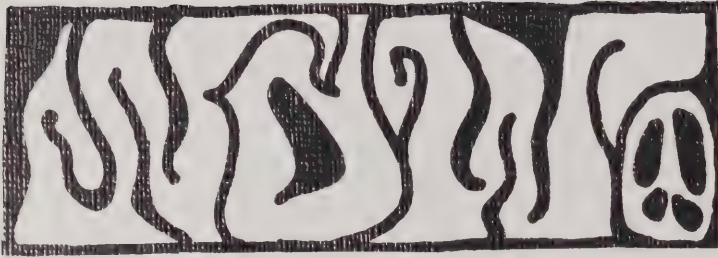

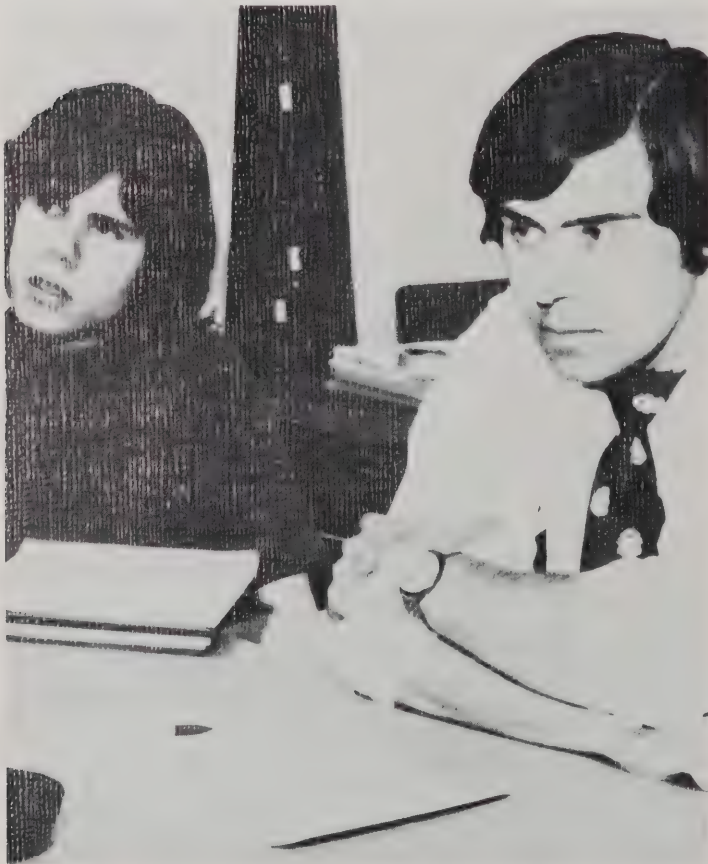

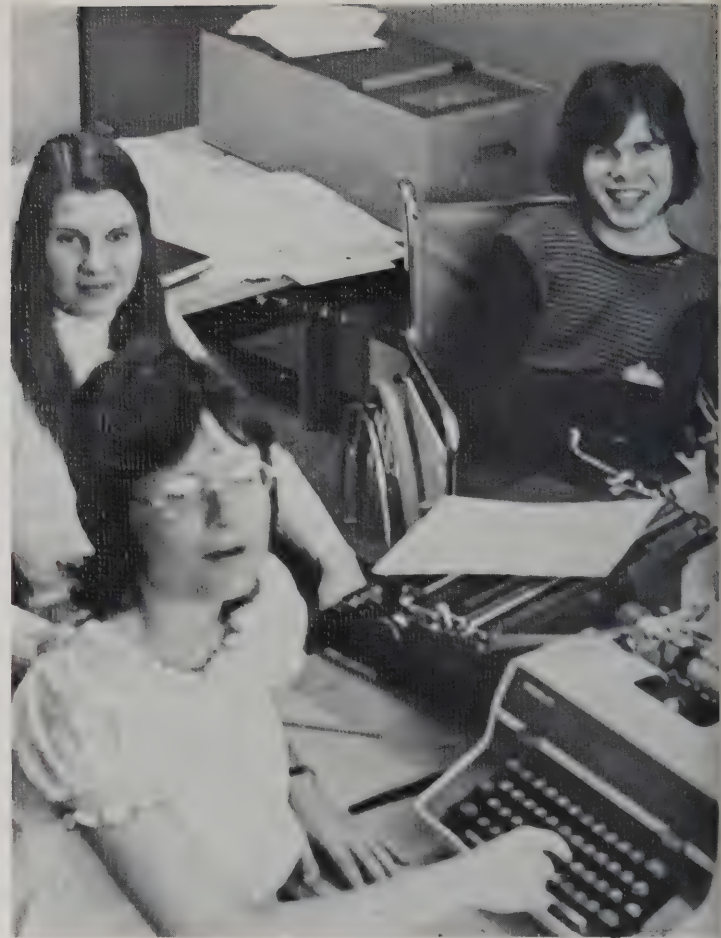

Staff

Editor Dori DiVenti
 Managing Editor Anne Bacon and Helen Hopkins
 Advertising Manager Donna Reese
 Sports Editor Ken Kapsambelis
 News Editor Sharon Lukrman
 Reporters Vicki Lunsford, Charlie Atkinson
 Proofreader Reggie Innes
 Transportation Anne Bacon
 Advisor Joe Burns

The "NOW" is a student paper which keeps the students informed and also serves as a media for the student's voice. This paper is designed primary to voice your opinion on any subject you desire and to bring people together to bridge the so called "communication gap."

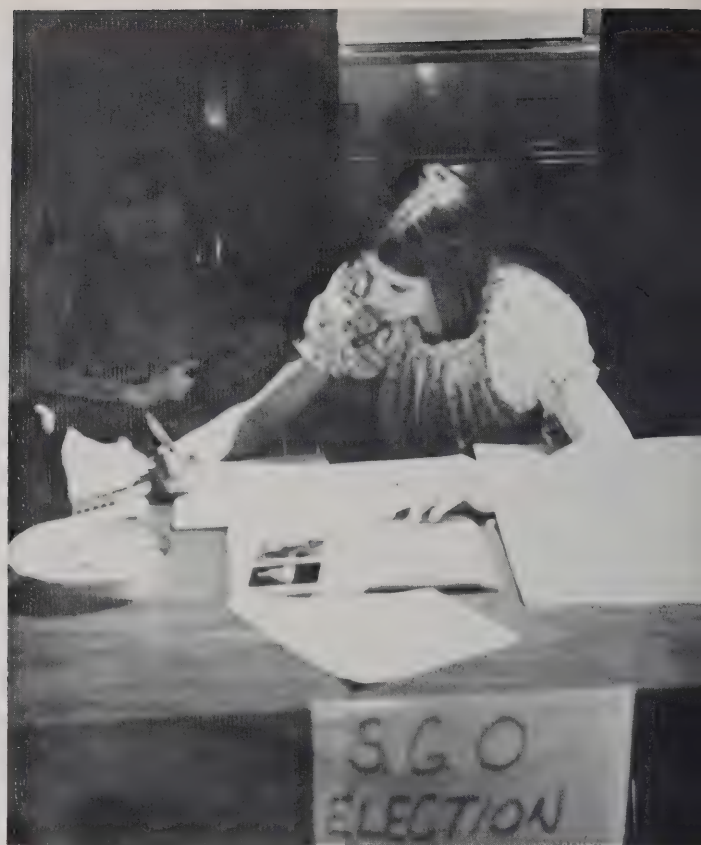

Casement

The Casement is the official handbook of the College and is published annually by the S.G.O. Its purpose is to inform the incoming students of the different types of rules, regulations, responsibilities, clubs, a map of the college, and an overall knowledge of what Essex Community College is all about. Editor was Cindy Perouty.

People

The People was formed to assist and aid students. They sponsored "People's Book Sale," "Harvest Arts Festival," and also many activities held here at Essex on free hour. They also provided free soup throughout the year which was delicious. Chris Ruth was head of this organization.

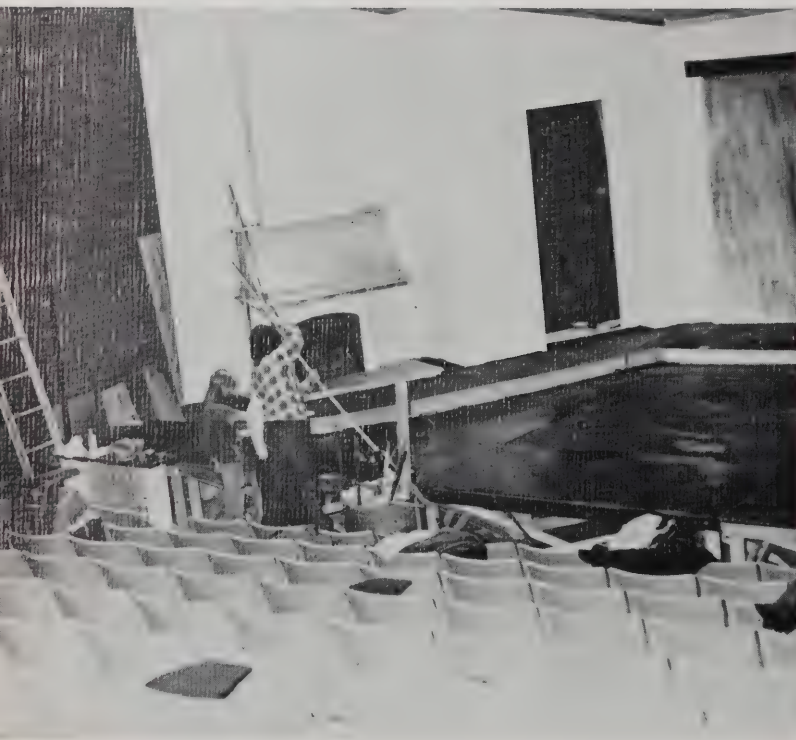

Veterans Club

The Veteran's Club was formed to maintain, develop, and help veterans with their disabilities and to investigate benefits, loans, and educational assistance. In charge of this club was Bob Olsen.

ECCSTA

The Essex Community College Student Theater Association was formed by a group of students interested in theater arts. They provided the students and community with many original and dramatic plays for everyone's enjoyment. President of this association was Miles Everett.

Black Student Union

The Black Student Union was developed for "Black Awareness" on campus. This organization is designed with the hope of building a better understanding of whites and blacks. The B.S.U. was responsible for Black Culture Week which proved to be interesting and entertaining to all. Norman James was head of this group.

Cheerleaders

The Squad this year consisted of eight cheerleaders, six of which are freshmen. Karen Childs, Carey Stewart, Ellen Straw and Mary Jane Brutzman all from Towson High. There is also Patty Neale from Perry Hall and Jeanne Chandler from John Carroll. The Sophomores of the Squad are Linda Wienham and Tori Woodson of Barringer High, Newark, N. J.

The cheerleaders led the Soccer team on to a 1st place Victory in the fall and the great E.C.C. Basketball team into 4th place.

Jane Cumming (not pictured) is the Advisor for the Squad. Jane is in her first year at Essex and has really helped the cheerleaders a great deal.

Publicity Committee

The Publicity Committee was designed to keep the students and community informed of upcoming events, lectures, and action by displaying and advertising various materials at Essex Community College. In charge was none other than Ron Meyers.

Social Committee

The Social Committee is responsible for the variety of social events that Essex has presented throughout the year. The committee worked hard to make each event, which were a success enjoyed by many. Joe Letts was head of this committee.

Alumni Association

The Essex Community College Alumni Association increased their activity and service not only to alumni members, but also to students, faculty and administration, the college and community. To serve the next two year term, Tim O'Donnell, President; Richard M. Pfannenstien, Vice President; Phil Jones, Treasurer; Chuck Radkowski, Coordinating Secretary; and Gail Ritter was elected as Secretary. Several activities were sponsored during the summer months including a bike and golf clinic, a picnic, and a river raft trip. In October the Alumni sponsored its first dance at the Rosedale Gardens Hall. The alumni also continued its excellent recreation program which attracted close to two hundred people each Sunday evening. The popular diner theatre program was also continued and included a performance by Julie Newmar, which was particularly successful. Also, continued were the Alumni Newsletter, and a trip to Europe was sponsored in August of 73 which drew a large crowd. The first annual Alumni Association Photography Contest was sponsored in April and received an excellent reception from the college and community. Alumni membership during the year increased greatly, not only from the class of 72 but also past graduates and students.

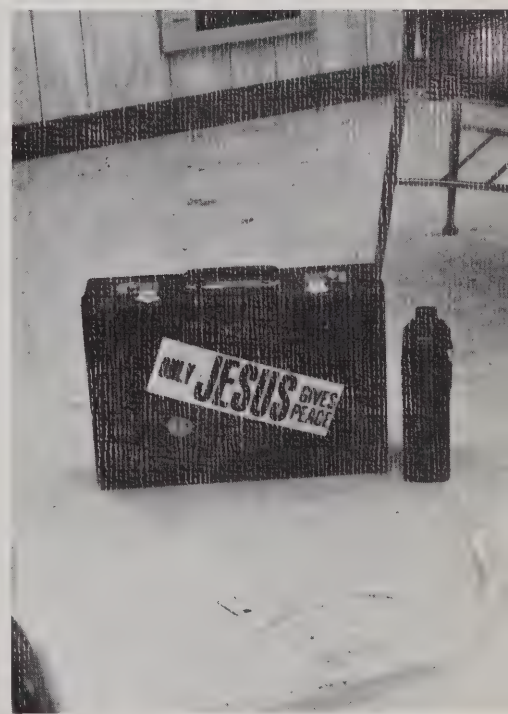

Christ For Campus

Christ for the Campus is a non-denominational group of students whose main function is to share Jesus Christ with other students.

C for C had its founding two years ago as "The One-Way Club" and has grown in large proportions. Some members and students jokingly refer to the club as "The God Squad" or "The Holy Rollers."

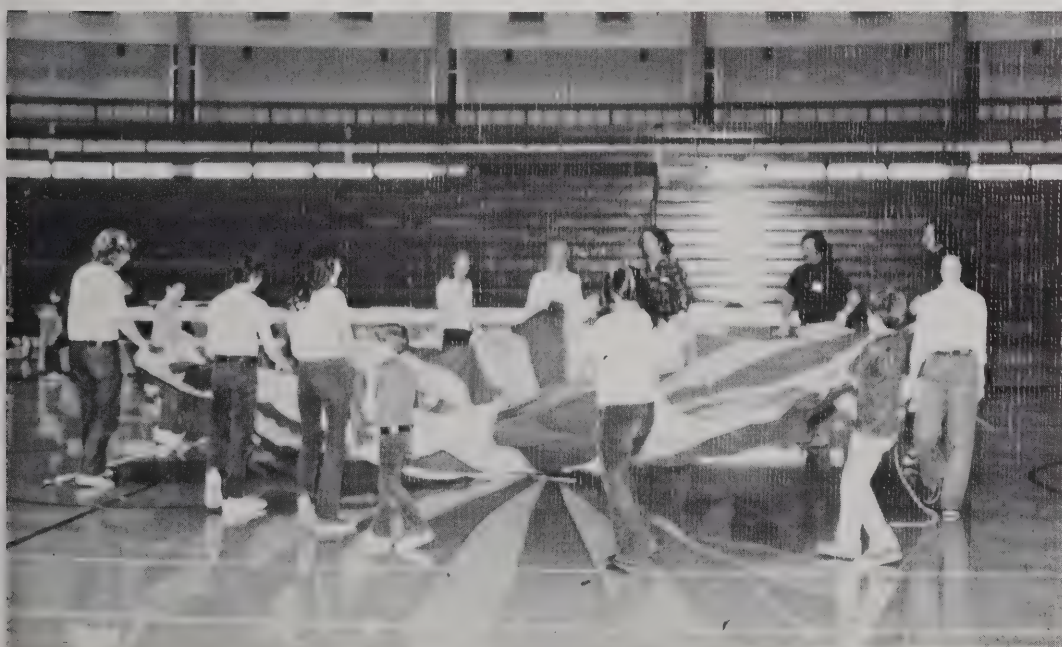

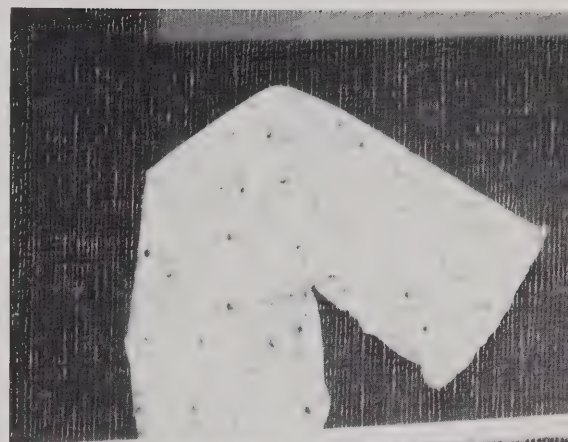

Each Monday and Wednesday they hold open meetings; discussing anything from man's place in society to the revelation of Jesus Christ. They also offer varied involving activities such as; coffee house concerts, guest speakers, rap sessions and films, all of which are open to the public.

Children's Developmental Clinic

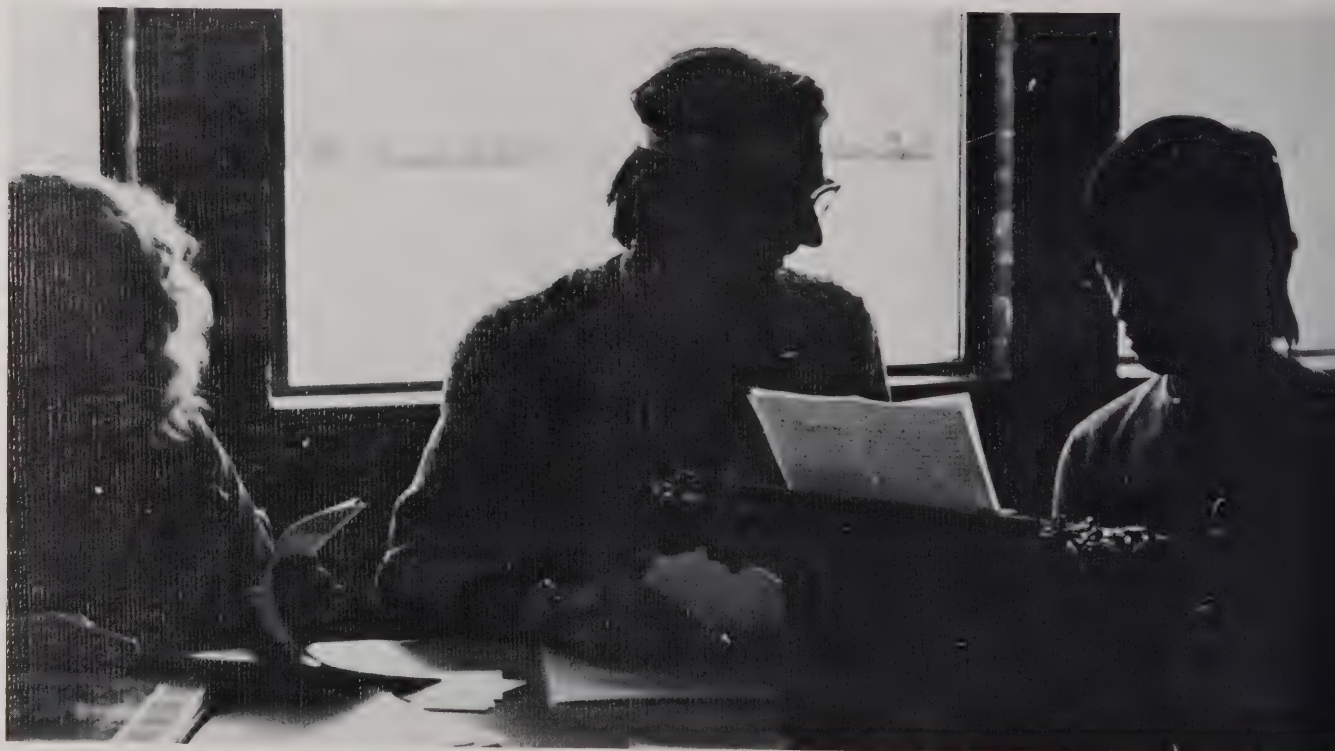

The Children's Physical Developmental Clinic operates Fall and Spring clinics for eight consecutive Saturday mornings. Children are scheduled for one hour of activity each week. Parents participate in a parent education program during the same hour their children are scheduled for activity. The E.C.C. clinic opened in the Spring of 1972. It is under the directorship of Dr. Lois Shofer.

COLLAGE

The College is a piece of art, a literary magazine of Essex, a matching and contrasting fragment of fantastic poems, art, and short stories, and photographs. These are submitted by the students and are designed for everyone to read and enjoy. Editor; George "snake" J. Dornier, Art Editress; Rose Mary Kollarik, Typography; Wilboon Loryont, Larry Burnett as Talent Scout and Ms. Tenney Hammond as Faculty Consultant.

The Traditional Time Of Thanks

On this page in the book, the editor traditionally thanks the special people who have helped through the year to get the yearbook out. It is my pleasure, as editor-in-chief of the 1973 Challenger, to uphold this tradition.

I'd like to thank, first of all, Pat Mahoney, our "rookie" annual staff advisor, for his sagacious advice and knowledge of planning pages. Pat spent several hours teaching a yearbook journalism mini class in the Fall and since then has given his time finishing some of our pages. He didn't have the answers all the time, but due to his uncanny sense about yearbooks, he was usually able to make some pretty good guesses.

My thanks also go to Andy Retz in Instructional Tech. Andy helped the book by supplying some of the pictures. His skillful photography and long hours in the darkroom, developing and photographing last minute pictures, saved many of the activities which our photographer missed.

My appreciation goes to Cecil Tennent, sports publicist. Cecil has taken pictures for the Physical Education department which he let us use. Again our photographer had missed practically all the sports but fortunately the pictures of the teams and some others had been taken by Cecil. By the last deadline our sports editor hadn't taken any scores or copy and Cecil came to the rescue again giving up his own time to trace down the scores and write

up a little copy. Without his help the sports section would not have been finished.

Lois Shofer, who is in charge of the Children's Development Clinic, let us borrow some slides of the children. Also thanks to Charley Hughes for the several sets of printout sheets of students for mailing and reference. John Coffman, Director of Student Activities, helped to keep us out of the RED financially and out of the booze physically, but we still seemed to have a pretty good time.

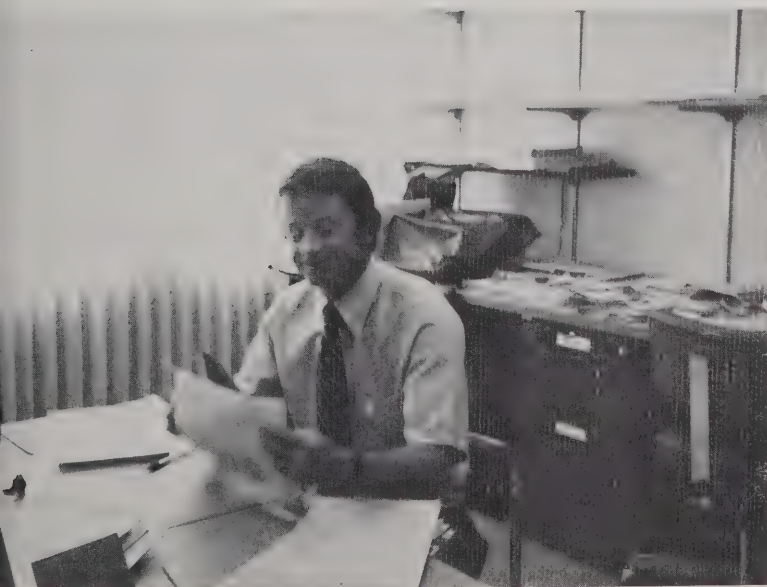

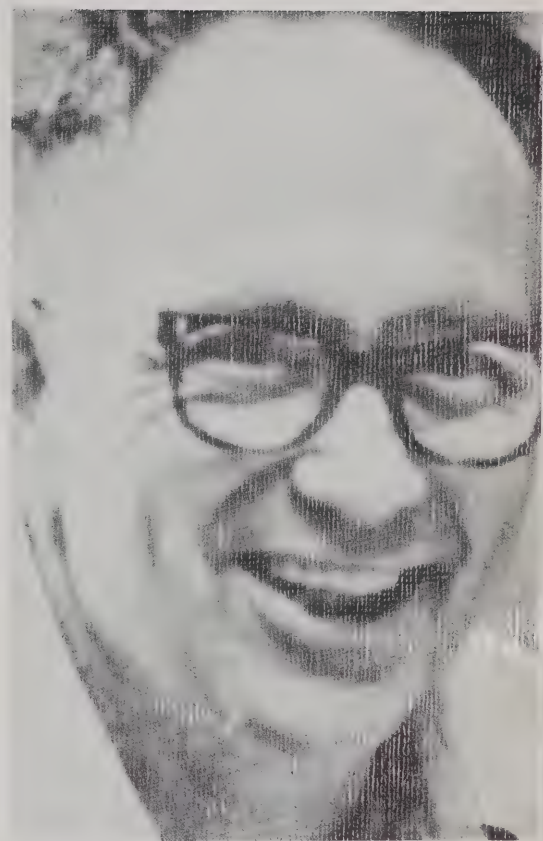

Last, but certainly not least, I want to thank my staff: Dori DiVenti for her writing skills and perseverance with the faculty, Jim Freeburger and Steve Mullahany for their help with pictures, Betty Moffet for her help with organizations, Li Ann Bands who did most of the activities and Barb Knauer for finishing up with the epilogue.

It is evident that without a good staff it is impossible to put out a good yearbook. With that thought in mind I present to you the finest Challenger ever produced.

Thank-you and Good Luck in '74

Doug Anderson

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and a small dark stain near the bottom center. The binding edge on the left is visible, showing the inner hinge and some stitching.

Another year has evolved, and with this passage has brought to light a realization of our total learning experiences gained from college.

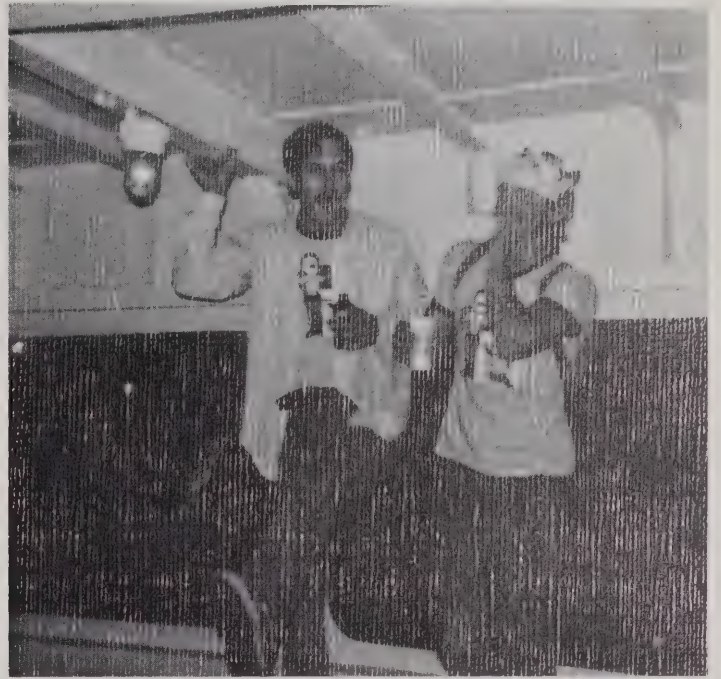

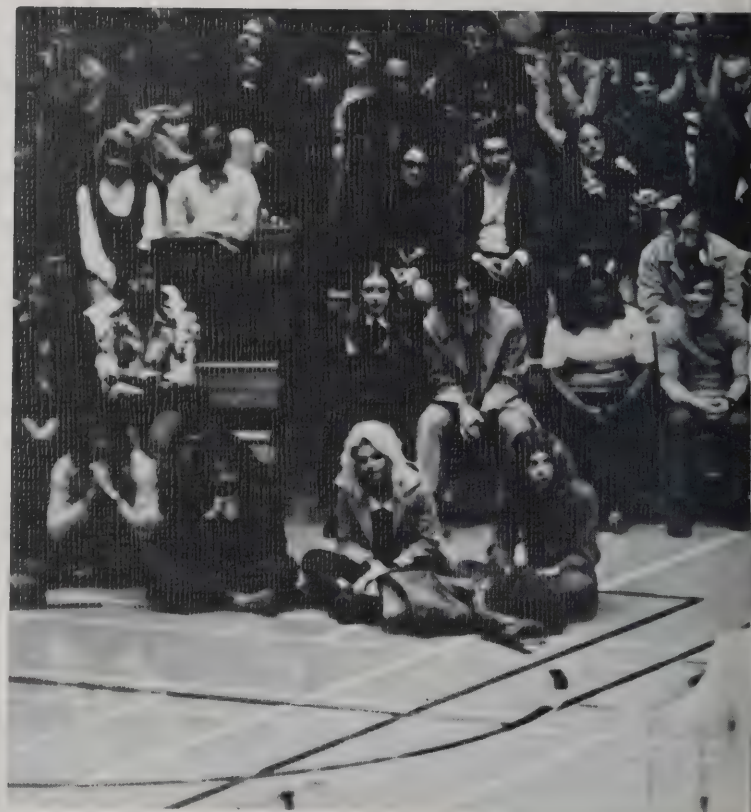

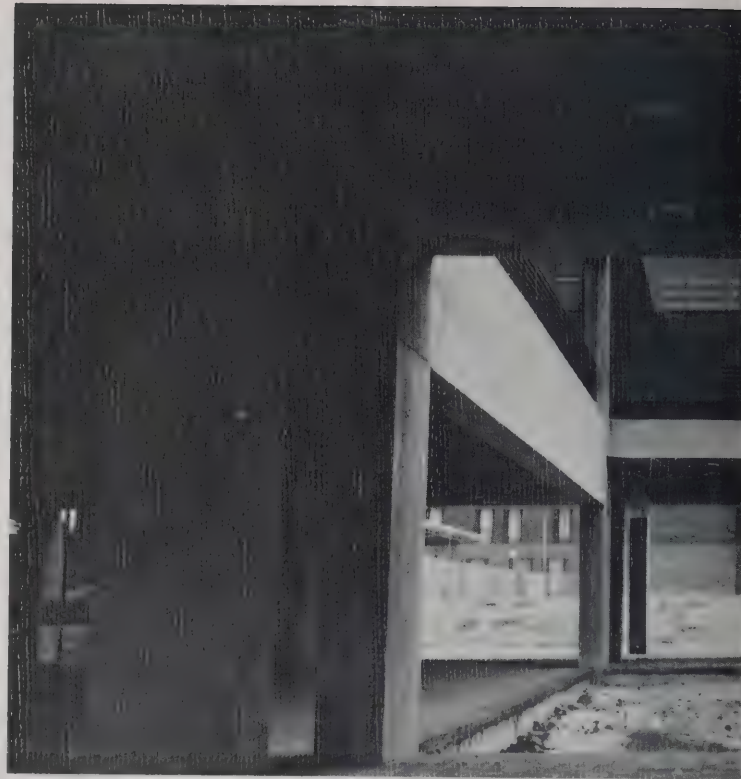

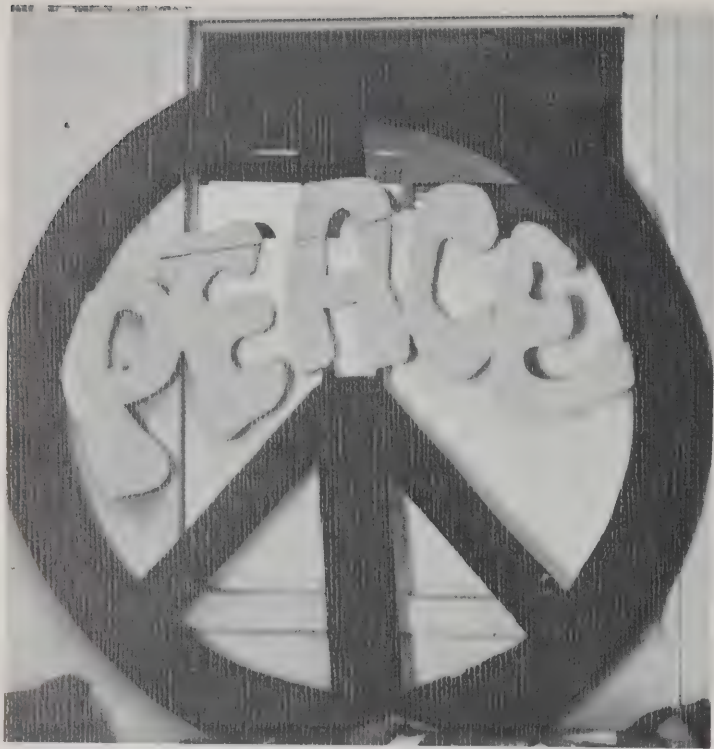

Hopefully we have benefited from the disappointments and frustrations, and utilized our learning from them to further heighten the consequent joys of living and experiencing life.

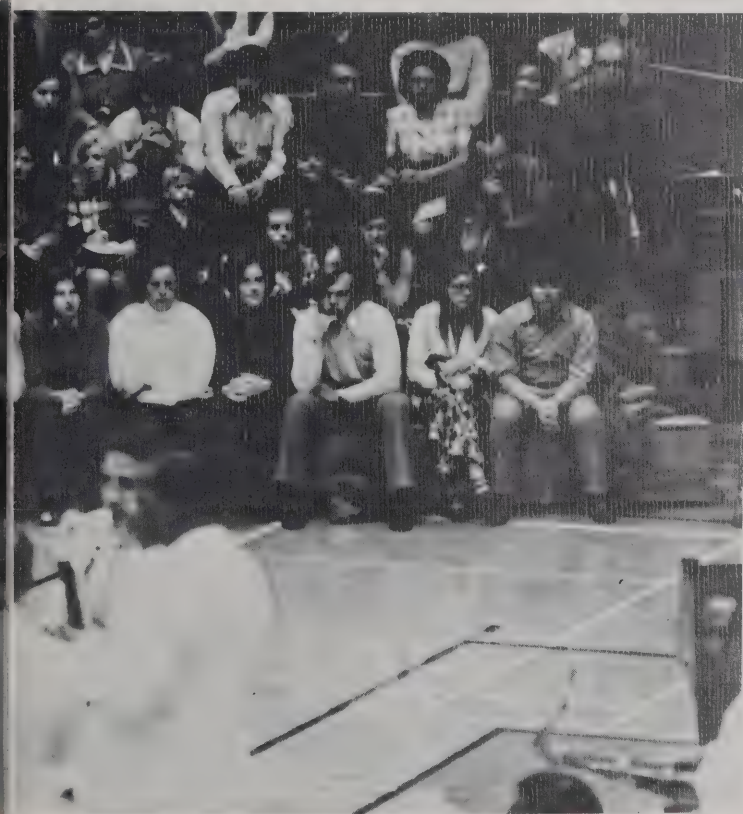

This year can best be described as a menagerie of happenings, all contributing to shaping the college and its students.

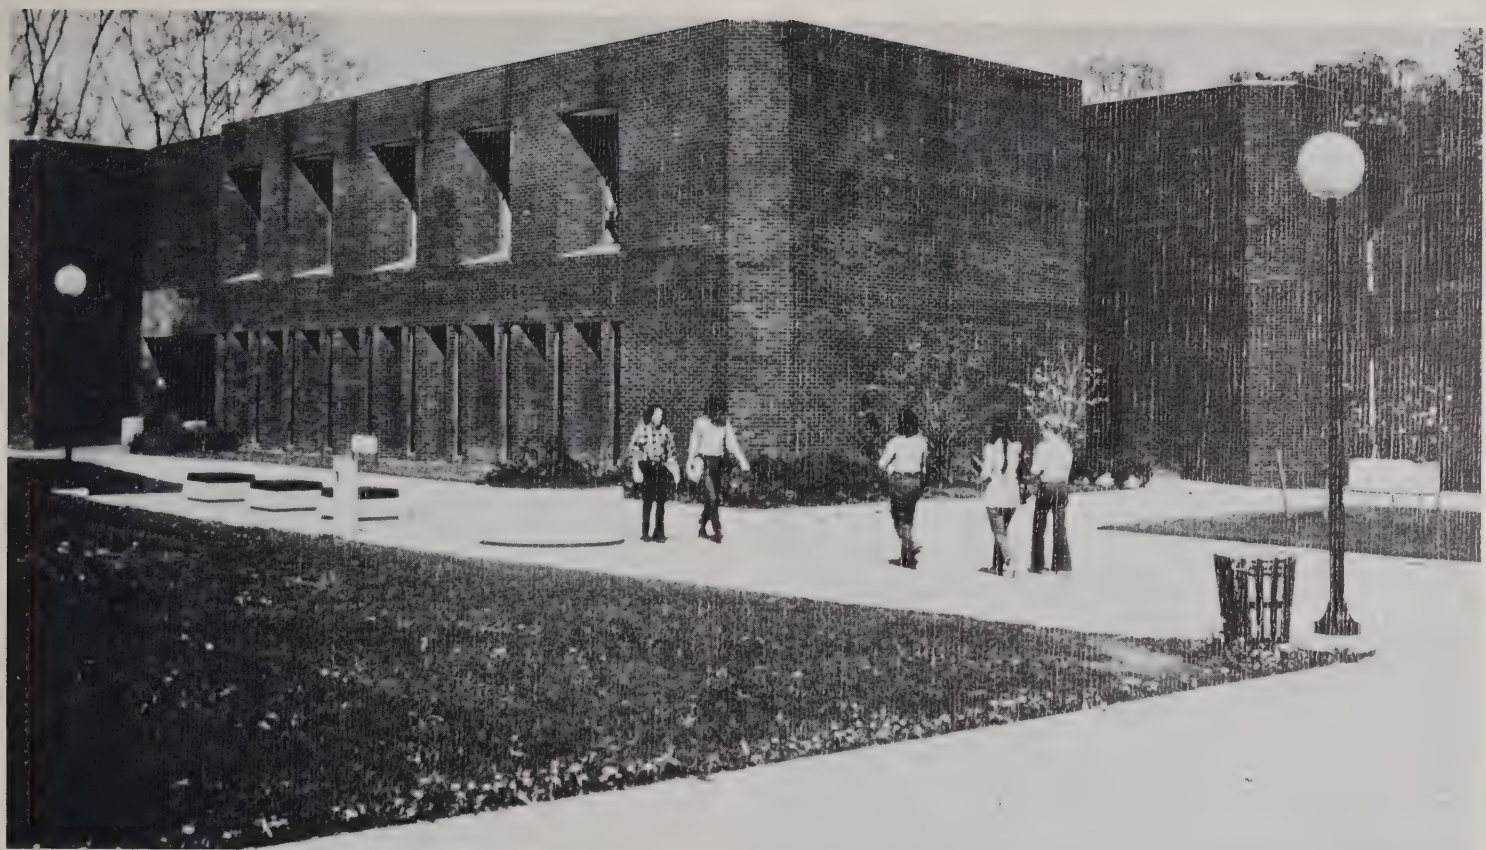

Through these happenings, Essex has provided a means of fulfillment to our individual needs, be they academic pursuits or social enrichment.

Sitting under the trees, relaxing by the fountain, or conversing in the lobby — all have contributed to the warm and friendly atmosphere so characteristic of Essex.

Essex has left us with a memory that will ever live on. One thing that is saved for us from the past, one thing which can never be stolen by the grasp of time, is the legacy of fond memories brought to light again through the pages of our yearbook.
